CONFIRMED .- The appointment of LUTHER KIDman as President Judge of the 21st district, was confirmed by the Senate on the 23d instant. The vote Gov. Dozz.-The Legislature of Rhode Island has passed a bill to liberate Thomas W. Dorr, Esq., from impriscoment on his sentence for treason, on his taking the oath of allegiance to the State. The bill passed by large majorities in both Houses. proposition has been brought before the Senate of Alabama, to provide for the transfer of the assets of the State Bank and branches to a company. which, is mansideration of its transfer, agrees to pay least 15 per cent, and in some cases 25 per cent. of the debte and liabilities of the State. The Warren Tragedy-At no period in the histoty of New Jersey has a more attrocious murder been missed than that of the Castner family; and no simin instance is on record of patient and close investipatients, discover the perpetrators of that dark deed. The intrders were committed at the house of John Casther on the night of May Ist, 1843; the whole family except a small bired bey, who had been atunned by a blow, and two small children found asleep, having seen found murdered the next morning, viz: John Castner, his wife, and one child in bed with her, and John B Parke, an old bachelor brother-in-law. The object of the actors it is conjectured was to obtain a considerable sum of money, which it was known the family kept in the house, and perhaps by despatching the whole of them to secure the interference of their real es tate. The truth is now about to be developed. Joseph Carter, jr., it is known, has some time ago been found guilty of that murder, and on Friday Peter Park was also convicted of the murder at Belvidere, N J., as we learn from the Newark Advertiser. The case was committed after a long and patient investigation and full arguments, in a clear and able charge by Judge Novins, and the jury was only out shows 5 hours. The verdict is in accordance with public sentiment in Warren county.

Thus two of the murderers, Joseph Carter, jr., and Peter Parke, his cousin, are identified and stand com- up to \$12. mitted. Abner Parke, either the father or uncle of Peter, was tried immediately before on one indictment and acquitted by the jury, though circumstances were strongly against him, in consequence of an alibi insisted on by some witnesses, (his daughters we believe) Just received, another lot of Flannels, imported a from his,own family. Since that acquittal further testimony has been obtained, and he has been brought up and charged under one of the other indictments-for and charged under one of the other indictments—for fortunately the Grand Jury found an indictment against at the prisoners for each of the four persons murate the necessity of a School Dictionary; Davdered, so that it is believed his participation in the enport's History of the United States—for schools dradful tragedy may yet be established.
