SAYINGS AND DOINGS. The following is an inscription taken from the tor Stess of one Maneager Scott, who died at Delkirk. twelve miles from Sootland, February 3d, 1738:-Stop passengers until my life you read, The living may get knowledge by the dead. Five times five years I lived a Virgin's life, Sea times five years I lived a virtuous wife. The limes five years I lived a Widow chaste,

Chose my gradle to my grave have seen Eight mighty Kings of Scottand and a Queen. Ten times the subject rose against the law-Twice Wid I see old Prelacy pulled down,
And twice the cloak was humbled by the crown. An end of Stuart's race I saw; and more-I saw my country sold for English ere. Suchdevelation in my time hath been,

An end of Perfection I have seen."

IMPORTANT TESTIMONY. DR SWATE, Dear Sig-In last October, while en gaged with Mr Joseph Smith, in a saw-mill near neshurgh. I was attacked with a cough from being exposed at night, which gradually increased, attended with spitting of blood, and a severe pain in the breast, loss of appetite, fever, &c. &c. which was scarcely supportable. I had a family who were wholly dependent on my exertions for support, yet I was obliged to leave my business and return home. I was then attended by several physicians, but still grew worse, natil my medical attendants gave me up as an incurable. Subsequently, my wife observing, in one of the public prints, an advertisement of DR. SWAYNE'S COMPOUND SYRUP OF WILD CHERRY, procured me one bottle from Francis M'Clure, your agen in Lewistown, which relieved me; I continued until had taken five bottles; I am now able to return to my work again: I write this to offer you my sincere teanks, and you are at liberty to make this known, so that if any human being is suffering as I have been they may have recourse to your invaluable medicine Yours, JOHN P. BOYNE.

Pittsburgh, Nov. 19,1844-3md Medicated Vapor Bath. OPY OF A LETTER FROM DRS. LAWRENCE AND HARRICKSON. New Labanon, State of New York. WORTHY FRIEND:—Having made a thorough trial of the Medicated Vavor Bath for four months past, in

it but justice to state, that we consider it a valuable ement in the healing art. Its power in reduc ing both chronic and acute inflamation, also in remov pasms, is certainly very great. In cases of oband best remedy that we have ever seen. Several persons in our society, who were scarcely free from a catarrhal affection during most of the winter months or several years past, have found permanent relief by Wm. Bell & Sons, Waterman Palmer, using the Bath a few times; and the predisposition to take cold, as it is commonly termed, seems to be whol ly removed. Obstructed perspiration, is certainly in our changeable climate, one of the most fruitful souroes of disease, and any remedy that is capable of removing the predisposition to it, must be considered a great blessing to mankind; and as such we do not hesitate to recommend the Medicated Vapor Bath.
