His voice was husky and low. As though his voice were gone; And be coughed and gasped, and coughed again, And he pressed his hand on his heart in pain, While thus his plaint ran on:

"A world of toil is this ! It hath no joys for me: "Tislabor by day, and labor by night, "By the light of the sun, and by candle light-Labor continually,

"Some men have a day of rest, But Sabbath for me is not: It is toil all the week, and toil on the day That God has given to rest and to pray-Lo! this is the printer's lot!

"When I was a boy," he said, "I played on the hills of green; I swam in the stream-I fished in the brookl'biessed was I to sit and look tered on Nature's scene

"For twenty sad years or more, My life has worn away In marky rooms of poisonous air, Where I've yearned for a sight of a valley fair, And the light of open day.

"An innocent prisoner doomed, My heart is heavy within; Ob, why should a man untainted by guilt, Who the blood of a creature never hath spilt, Be pent, like a felon, for sin?"

The printer then coughed and sighed-The stars were growing dim. And he upward gianced at the morning sky, And he inly thought it were good to die, And death would be rest to him.

His heart was tired of beating : He prayed to the Lord above To pity a man whose heart had been riven By toil, for other men's interest given-And he wept for His mercy and love.

Sir_Since I have been in this city I have used some of our Dyspeptic medicine with infinite benefit and untir faction, and believe it to be a most valuable remedy. One of my constituents, Dr. A. Carden, of Casobell county fennessee, wrote to me to send him some, which I did and he has employed it very successfully in his practice and says it is invaluable. Mr. Johnson, your agent at this place, thinks you would probably like an agent in ennessee. If so, I would recommend Dr. A Carden, at a proper person to officiate for the sale of your celebrated edicine. Should you commission him he is willing to act for you. You can send the medicine by water to the care of Robert King & Sons, Knoxville county, Teanes. see, or by land to Graham & Houston, Taswell, East Tennessee. I have no doubt but if you had agents in several counties in East Tennessee, a great deal of medi-cine would be sold. I am going to take some of it home for my own use, and that of my friends, and should like to hear from you whether you would like an agent at tville, Sullivan County, East Tennessee; I can get some of the merchants to act for you as I live near there.

Yours respectfully, ABRAHAM N'CLELLAN, of Tennessee.
