to find all about is. He could give quite as correct "The Men and Manners in America." A book upon The First Impressions of the River God and Allegators of the Mississippi at Seeing a Steamboat, by an Officer of the British Army," would read well in the title page, and contain just as much truth and information as English publications upen America usually do .- Piccyune.

The Daily Morning Post.

THOS. PHILLIPS & WM. H. SMITH, EDITORS. PFFTSBURGH, WEDNESDAY, FEBRUARY 5.

virtues and merits it was so long in discovering. The their views of Mr Millon Brown, the whig who wrote Gazette should not complain of our strictures on the the annexation resolutions, and of the Louisiana whig whig party. We drew their portrait in the mildest possible manner, and spoke far less harshly of their be- nexation. haviour than the editor of the Gazette used to do, when he was an Antimason and an Abolitionist. Why JOHN QUINCY ADAMS denounced them as a "base compound," whose only bond of union was "hatred to better men than themselves." The great Embodiment himself, said that the representatives of the whigs in the Convention which nominated Harrison, were little betterthan a pack of knaves-or used towards them 190 words to that effect. When even whig leaders denounce their brethren after this fashion, surely the Gazette should not object at our exposing their profligate 120

But the Gazette says the reason why the whigs refused to sanction the One Day Election Law at the last session, was that it "could not go into effect area hate an hour without a special meeting of the Legislatures of the several states to make the necessary changes." If the whigs had been disposed to pass 1889 this bill when it was first brought in, which, if we 190 mistake not, was at a time when many of the State 190 Legislatures were in session, there would have been occasion for "special" meetings of but very few of the great Vulley of the Mississippi, to the Columbia them. And if the whigs opposed the One Day Elected, they never would have passed the Bill.

The attempt of the Gazette to mystify the action of ership of our relations the Louisiana Legislature is miscrably futile. It is a lowed to slip through our fingers. It is a noble patrifirst entired incontraventible that the Louisiana Legislature is miscrably futile. It is a month of quills, in which he fore, invented little tubes made of quills, in which he fore, invented little tubes made of quills, in which he fact, entirely incontrovertible, that the Louisiana Le-mony, and must descend to our children." gislature, a body in which there is a whig majority, the petty trickery of the whig Delegates of Virginia, by petitions, praying that the blacks may be denied who, knowing that they represent but a minority of the proving and of increases and the people of the state, would have forced upon their constituents a Senator hastile to the known popular the House of Representatives approved of it, with one to the success. All the usual efforts were made, but unlucking the four dissentients. These four next day repented. State, refused to go into an election. It is in vain them, a resolution was introduced as follows: that the Gazette seeks to vindicate the tortuous

pertinaciously refusing to take one step forward in any cluding the four who had voted contrary, recorded his manner in which he is entertained by all classes of the new direction—while it is still endeavoring to bolster vote in favor of its passage. up the odious and unjust system of chartered privileges and paper-money monopoly, the Democrats are endeavoring to reform old abuses and to secure the "greatest good of the greatest number."

Heavy Seizure.—The collector of the District of that the Manor difficulties are still agitated in some portions of this county, particularly in the Western portions of this county, particularly in the Western part of the town of Sand Lake. On Wednesday resistant part of the town of Sand Lake. about men, which sometimes assume an aspect that in the United States." All persons claiming the same, duces the enemies of Democracy to think that we shall are requested to appear, otherwise it will be sold accrumble to pieces, are always deprecated and viewed cording to law. Of course one half goes to the inforwith pain by the honest Democrat. But every day mer proves that they cannot shake the integrity of the par-By, nor turn it aside from the pursuit of the vital objects and principles it should seek. Of this we have a proof in the late adoption of the principle of individual liability of stockholders, and the instruction of the in w House to report a resolution declaring that no table charter will be granted without this effective saving clause. Some of the Banks which had been petitioning for a renewal of charter, withdrew their applications whenever they found that this principle would be carried out, and that they could not get the liberty of pocketing the profits of banking, without being liable for all its losses. These cunning fellows have no idea of being put on a level with all their fellow-citizens who erry on business. Notwithstanding they affect to labor for the public good, they take care to secure a large and certain amount of benefit for themselves, and coolly ask the people to "pay for the whistle," if they fail to manage their business properly. Banking is a profitable business, if prudently and economically carried on, a and special privilege to issue paper money cannot number of any, lack 982 of a choice. Thus we are jail for the purpose of releasing some friends there, number of any, lack 982 of a choice. on, a and special privilege to issue paper money cannot number of any, lack yet of a choice.
