IMPORTANT TESTIMONY. DR SWATNE, Dear Sir:—In last October, while engaged with Mr Joseph Smith, in a saw-mill near Waynesburgh, I was attacked with a cough from being exposed at night, which gradually increased, at ended with spitting of blood, and a severe pain in the breast, loss of appetite, fever, &c. &c. which was scarcely supportable. I had a family who were wholent on my exertions for support, yet I was obliged to leave my business and return home. I was then attended by several physicians, but still grow worse, until my medical attendants gave me up as an incurable. Subsequently, my wife observing, in one of ublic prints, an udvertisement of DR. SWAYNE'S COMPOUND SYRUP OF WILD CHERRY, procured me one bottle from Francis M'Clure, your agent in Lewistown, which relieved me; I continued until I had taken five bottles; I am now able to return to my work again. I write this to offer you my since teanks, and you are at liberty to make this known, so that if any human being is suffering as I have been, that if any human being is sancting they may have recourse to your invaluable medicine they may have recourse to your invaluable medicine they may have recourse to your invaluable medicine.
