PITTSBURGH, TUESDAY, FEBRUARY 11.

## GLORIOUS DEMOCRATIC TRIUMPH!

Nativism Utterly Blotted Out IN LANCASTER!

The whole Democratic Ticket, without a single execption, triumphant! that the memorphic election network of the control ticket has been elected. This may be called the finishing stroke to Nativism. Notwithstanding the party
has four newspapers in the city—notwithstanding it
is controlled by a variety of pare and incorruptable

is advantity real wile is now about 200 —hill—leaders.

It is stated that on Long Island snow has fallen to
the depth of two feet, and drifted very much. In
New York, it was about 18 inches deep, on a level, at
are up to the 3d. There is nothing of much interest
of the friends of the bill. They do not, however, expect that a deficit in the revenues of the department.

ranging from three to four hundred over the whigs, and the same over the natives; and by about one town. The Princeton had all of her top-

mundred and seventy of a majority over both.

Nativism seems to be in bad order among the honest citizens of Lancaster, as it is in almost every

gallant masts down.

The old packet ship Sheffield is below, said to be safe. She was in a dangerous position in the gale.

The New York Sun of Thursday thus all down the first day of December of each year, shall together with ten percent, added thereto, put into the hands of a sufficient number of collectors to collect the same, short time there will be no portion of the American which has not yet come to hand. people willing to show any favor to its illiberal and peace-destroying principles.

swered by cannon from the shore, the repeated shouts of the joyous multitude, the flaunting banners, and the Thursday says: of the joyous multitude, the flaunting banners, and the vast crowds of happy people which thronged the wharf, combined to make the scene highly interesting and exciting. The Cincinnati Gazette, a prominent whig paper admits that the reception was a glorious one, but objects to the "shouting," which, it thinks, and that he wanted assistance. He also one, but objects to the "shouting," which, it thinks, and that he wanted assistance. Three officers of the custom. Three officers of the custom of the respect without regard to those present, or to the station which he represents those present, or to the station which he represents those present, or to the station which he represents the property of the custom of the respect without regard to those present, or to the station which he represents the spectage of the custom of the respect without regard to those present, or to the station which he represents the spectage of the custom of the respect to the respect without regard to those present, or to the station which he represents the property of the respect to the respect without regard to those present, or to the station which he represents the property of the respect to the respect without regard to those present, or to the station which he represents the property of the reason of the respect to the respect without regard to those present, or to the station which he represents the respect without regard to those present, or to the station which he represents the respect without regard to those presents of the reason of the reason regard to one, but objects to the "shouting," which, it thinks, ascertained her name. Three officers of the custom ny, and a want of self respected by was more "earnest" than "enthusiastic." The Gasto bouse were yesterday afternoon despatched in sleighs to their assistance. The revenue cutter will sail this zette must surely have very acute powers of discrimination, to enable it to tell, when a crowd of men are morning for the same place.

The steamship Princeton reports having seen a "there can be few ad no justification" for such a fab" "there can be few ad no justification" for such a fab"

REED, and replied to him in a brief and appropriate speech. The address and reply both seem to have met the approval of the whigs, who have nothing the approval of the whigs, who have nothing the approval of the whigs and reply both seem to have stopped running at about 7 o'clock last night.

The South and Fulton Ferry steamboats found it stopped running at about 7 o'clock last night.

The Lersey City Ferry steamboats were compelled.
