Old Established Emigrant Passage Office,
61 SOUTH STREET.

The subscriber, in calling the attention of his friends and the public to his unequalled arrangements for bringing out persons from Great Britain and Ireland, who may be sent for by their friends, begs to state that to consequence of the great increase of this branch of his business, and in order to preclude all unnecessary delay of the emigrant, has at great expense, in addition to his regular agents in Liverpool, appointed Mr Thos H Dicky, who had been a faithful clerk in the establishment for the last eight years, to proceed to Liverpool and remain there during the emigration season, to superintend the embarkation of all passengers engaged here. The Ships employed in this line are well known to be only of the first class and very fast-sailing, commanded by kind and experienced men, and as they sail from Liverpool every five days, reliance may be placed that passengers will receive every attention and be promptly despatched. With such superior arrangements, the subscriber looks forward for a continuation of that patronage which has been so literally extended to him for so many years past, and should any of those sent for decline coming, the passage money will, as usual, be refunded, and passage from the different ports of Ireland and Scotland can be secured if desired.
