### Che Buily Morning Post. BY LAST NIGHT'S MAIL. PITTSBURGH, PA. SATURDAY MORNING, FEBRUARY 15, 1845. PITTSBURGH BOARD OF TRADE. COMMITTEE FOR PERSUARY. JS Dilworth, W H Denny, Joshua Hanna.

We are indebted to the Hon C Darragh for a niusbie public Document.

COSCERT. See Mr PARVIN's advertisement of Concert. Mr P.is a good vocalist, and has besides, claims on public sympathy, because he is deprived of sight. These who wish to hear the tones of the Piano with the Melian Attachment, should not fail to go to this Concert.

We invite attention to Mr LARIMER's resoluse about the removal of the seat of Government,.... Although we do not agree with L. in some things, we igue as objection to his having the seat of government for the U S removed to our city, if he can accom-

THE WEATHER is again mild. The snow has dispppeared and the streets are wet and muddy. A few days of the existing temperature will set all the ice which was formed a few days ago, adrift, and navigation will be entirely free once more, and then the spring busines will commence on a very extensive scale.

We suppose Pagaud has been forging warrants on the state treasury. But it seems strange that he should be arrested for such an offence, when it is a well known fact that there is no money whatever in the treasery of Mississippi. It seems curious that a man could find sale for forged drafts on a treasury in such a adition; and still more curious that he should furge Pitteburgh (Pa.) Manufacturer. The Manufacturer and many other papers, have, through ignorance of the facts, done our state

injustice in stating that there is no money in its treaeary. Specie is continually flowing in, and warrants are cashed to an extent sufficient to keep their value up to about ninety cents in the dollar. If proper ved these warrants may all be redeemed in the course of a year or two. Southern Reformer.

THE RIGHT REV. BISHOP O'CONNOR, will deliver Lectures in St. Paul's Cathedral every Thursday and Sanday evening during Lent, at 7 o'clock.

The principles of the Catholic Church will be explained and defended, with special reference to the charges now made against it. Subject of Lecture till farther notice. - The princi ples of the Catholic Church regarding the authority and the use of the Sacred Scriptures. feb 10

From the Baltimore Sun. TWENTY-EIGHTH CONGRESS. Washington, Feb. 12, 1845. HOUSE OF REPRESENTATIVES. A number of Executive communications, in answer

to resolutions of inquiry, were received from the De-partments and ordered to be printed. Among the Senate bills taken up for reference, was the bill making appropriation for a free bridge across the eastern branch of the Potomao at the Navy Yard. After some skirmishing as to the reference, M Redding moved to lay the bill on the table. Mr. Petit said he had no objection to the bill provided it were amended so as to provide for a bridge

cross the Ohio. The vote was then taken on laying the bill on the able, and it was carried—yeas 110, nays 67. This s much to be regretted, as on the present toll system at the eastern branch bridge a great burden is laid upon bridge, are all free. Hence, a farmer who is obliged o bring a load of hay or wood from the eastern brane cannot compete with those from other parts, he being ubject to a toll on each load of about fifty cents. It is to be hoped the bill will be taken from the table and

At twelve o'clock, in pursuance of a resolution, th members of the Senate entered the hall and took their seats in front of the speaker's chair, for the urpose of hearing the counting of the electoral votes or President and Vice President. The galleries were crowded to excess by both sexes, anxious to witness the proceedings. The ladies tnumbered the gentlemen two to one. Some ami

sing incidents occurred. One young lady, I am told, onstrued an accidental squeeze of the hand into a roposal and fainted. Visions of the future and of sweet little innocents crying for bread and butter, floated before her eyes-but when she slyly opened one eye and saw that the gentleman was not in ear est, she recovered immediately. Nothing of importance was done in the Senate.is said that apeaker Jones declines a re-nomination as a representative from Virginia, and that he has een offered a place in the Cabinet of Mr Polk.

Mr Pratt, of N Y, is about to introduce a joint rus olution authorizing the appointment of Commissioners to remodel the executive departments, so that the salaries of officers shall correspond with the duties and bility. This reform is needed, for it is certainly unfair that a mere copying clerk should get \$1. 500, while another, whose duties require talents of the highest order, gets but \$1,000.
