COPY OF A LETTER FROM DRS. LAWRENCE AND Hanrickson. New Lebanon, State of New York. WORTHY FRIEND:—Having made a thorough trial of the Medicated Vavor Bath for four months past, in our societies in New Lebanon and Watervliet, we think it but justice to state, that we consider it a valuable improvement in the healing art. Its power in reducing spasms, is certainly very great. In cases of obing spasms, is certainly very great. In cases of obstanced perspiration, it is unquestionably the safest and best remedy that we have ever seen. Several persons in our society, who were scatterly free from a catarrhal affection during most of the winter months catarrhal affection during most of the winter months. Wm. Bell & Sons, for several years past, have found permanent relief by Waterman Palmer, using the Bath a fow times; and the predisposition to take cold, as it is commonly termed, seems to be whol ly removed. Obstructed perspiration, is certainly in our changeable climate, one of the most fruitful sour-

med by fire. The Iron Safe which I bought of you some time back was in the most exposed situation during the fire, and was entirely red hot. I am pleased to inform you it was opened at the close of the fire, and all

books, papers, &c., saved;—this is the best recommen dation I can give of the utility of your safes.
