would restore it to its natural publicies. The many proceeding was less painful for autremant. The operator made me six upon the ground, then assisted by two men in hald a plant of the contract of the contr of two men he held a cloth upon my mouth and nost. I was nearly suffocated. "This," said the Chinese

Esculapius. "by causing a violent beaving of the

chest, will force back any rib that may have been bent The wound in the head not being deep be healed t with burnt cotton. He then ordered that I should continue to walk, supported by two persons, that I should not sin long, nor be allowed to sleep before ten o'clock at which time and not before, I should take a a little hifan, that is, thin rice soup. This continued walking caused me to faint several times; but this had been forseen by the surgeon, who had warned me not be alarmed. He assured me that these walls in the oped air, while fasting, would prevent the blood from settling on the chest where it might corrupt. These remedies were barbarous and excrutiating, but I am bound in truth to confess that in seven days I was so completely restored as to be able to resume my journey

> THE BEGGAR AND BANKER. A STORY FOR THE MINT.

"Stand out of my way," said a rough voice und my window, one day as I sat musing over the bustling scenes below me, at my lodgings. "Your honor will please to recollect," replied a sharp but somewhat in check, until the late election, and the defeat of the "splendid Harry" moved them to compass an act of retaliation worthy of their great defeated leader.—
Then, with desperate energy they went to work, and secomplished their "great revenge"—then the Hay weighers of Pittsburgh and Cincinnati were made to taste the bitter cum of retribition—they are made to taste the bitter cum of retribition—they are made to taste the bitter cum of retribition—they are made to taste the bitter cum of retribition—they are made to the compass and to the compass and the defeat of the doubt is strictly so.

A storm, probably put up for August, slipped off the prease to reconect, repnea a snarp but somewnat shelf on Saturday night, the 15th, and waked the city thoroughly up. Hon Mosse H Grinnell, we understand, was, like others, roused from sleep, but, with its impression that his own house was struck with lightning, rushed up stairs and found his Irish man following morning is described as most heart rending. Young Brown was arrested and held to bail upon a to the about the content of the prease to reconect, repnea a snarp but somewnat shelf on Saturday night, the 15th, and waked the city thoroughly up. Hon Mosse H Grinnell, we understand was an about reconect, repnea a snarp but somewnat shelf on Saturday night, the 15th, and waked the city thoroughly up. Hon Mosse H Grinnell, we understand to be study up. And a banker, was recorded the impression that his own house was struck with its impression that his own house was struck with impression that his own house was struck with impression that his own house as yourself." And I am a beggar and have as much right to the road stand, was, like others, roused from sleep, but, with the impression that his own house as yourself." And I am a beggar and have as much right to the road stand, was, like others, roused from sleep, but, with the impression that his own house as yourself."

A storm, probably put up for August, slipped off the grinder of the road stand, was, like others, roused f clothes, hung up, were dislodged, and it appeared that a current of lightning had circled around this room in the attic, lenving the sleeper safe on his fouther bed!—

other a ragged and dirty, but equally impudent and the attic, leaving the sleeper safe on his fewther bed!—other a ragged and dirty, but equally impudent and tiful engravings.

It was found in the morning that the pillars of the self-important personage; and from a comparison of Ladies' National Magazine for March, splendidly my eye fell upon it, a line bespeaking something of humor, and awakening curiosity, as he stood fixed and eyed his antagonist; and this became more clear and eyed his antagonist; and this became more clear and eyed his antagonist; and this tone and asked.
