forming him of his opinion on the question, he changed his mind, and said he should acquiesce in the acquisition on the suggestion of his friends. Mr. Jefferson

as that the sky should full—when it did, we should catch larks. [A laugh.]

A wise man would leave as little to the discretion of bia agents as possible—but he must leave them making power; and they might, if such was their pleasure declare wur formorrow morning against the power full when would be assured as a well as this of admitting new States, who world. Was that an argument against the supplies from the Unit of the world. Was that no argument against this power has on. "Was it an argument against this power than on." Was it an argument against th

on." Was it an argument against this power time. Congress might admit China, with her august Emperor, the brother of the sun and moorf. Congress might admit China, with her august Emperor, the brother of the sun and moorf. Congress might admit China, with her august Emperor, the brother of the sun and moorf. Congress might admit China, with the august Emperor, or Austria, or England, the properties of the national peace and the properties of the properties of the national peace and the properties of the properties of the national peace and the properties of the properties of the national peace and the properties of the national peace and the properties of the properties of the national peace and the properties of the properties of the properties of the national peace and the properties of the properties of

plete the security of our own territory, and to secure to us the navigation of the Mississippi. To argue a gainst such a proposition because by the same power gainst such a proposition because by the same power ted, in Mr B's judgment, to just nothing.

Mr B's

rangement on the aumission or rexus which me aumission or rexus which me does from the Northern live, and destroy-not discuss. It had been well met, and he had expressed his views of it on a former occasion. It was pressed his views of it on a former occasion. The admission of Texas without the position-that we could not admit Texas where the consent of Mexico. The day had gone by for that argument. And that we could not do it without a broach of the national faith and without war. The spread had not only the subjected of the national faith and without war. The spread have one of the national faith and without war. He should not now open it new. Stiffen it to say that Texas never had owed allegiance to the present that Texas never had owed allegiance to the present that Texas never had owed allegiance to the present that Texas never had owed allegiance to the present that Texas never had owed allegiance to the present that Texas never had owed allegiance to the present that Texas never had owed allegiance to the present that Texas never had owed allegiance to the present that the same received hor independence in the subjected of the national fairs and without war. No say, Market street.

ANNEARION OF TEXAS.

SPERCH OF MR. BUCHANAN, or exercise the control of the contr

The central to become gauges was one were all single process of the control of th

the territory of a foreign foreignment by treaty, and the territory of a foreign foreignment by treaty, and the territory of a foreign foreignment by treaty, and the territory of a foreign foreignment by treaty, and the territory of a foreign foreign territory of a foreign foreign territory, this power cristed only by implication. The monotable Senature, and, after rail, the treaty-making power varies only foreign territory, this power arose only from the general content of the doctrine that foreign territory this power arose only from the general flavor of the doctrine that foreign territory this power, was counted in the second of the doctrine that foreign territory might be demonstrated with a sequired by the treaty-making power, was counted from the constitution, and it had this limit, that acopts of the Constitution, and it had this limit, that acopts of the doctrine that foreign territory this power arose only from the general content of the doctrine that foreign territory might be commended with a sequired to the doctrine that foreign territory might be commended with a sequired by the treaty-making power, was counted in the administration of an independent of the foreign territory displayed to the foreign territory displayed to the foreign territory only to convert it into colonies and many the counted the constitution of the content of the content of the foreign territory only to convert it into colonies and power of a sequire foreign territory only to convert it into colonies and power of a sequire foreign territory only to convert with a sequire foreign territory only to convert with a convert of the doctrine that foreign territory only to convert with a convert of the doctrine that foreign territory only to convert with a convert of the doctrine that foreign territory only to convert with a convert of the doctrine that is only the circumstances, I took my state of the foreign territory only to convert with a convert of the first and many territory only to convert with a convert of the first and many

none, he presumed, believed that we had power to account foreign territory only to convert it into colonies of the propose of the propose of the propose of the power was clearly from the power to admit new States was an express of the power to admit new States was an express of the power to admit new States was an express of the power to admit new States was an express of the power to admit new States was an express of the power to admit new States was an express of the power to admit new States was an express of the power to admit new States was an express of the power to admit new States was an express of the power to admit new States was an express of the power to admit new States was an express of the power to admit new States was an express of the power to admit new States was an express of the power to admit new States was an express of the power to admit new States was an express of the power to admit new States was an express of the power to admit new States was an express of the power to admit new States was an express of the power to admit new States was an express of the state of the word to admit new States was an express of the power to admit new States was an express of the state of the word to admit new States was an express of the state of the word to admit new States was an express of the state of the word to admit new States was an express of the state of the word to admit the state of the word to admit the state of the word to the state of the word to admit the word to admit the state of the word to admit the word to admit the state of the word to admit the state of the word to admit the state of

rest. Still they continued true and steady to their national instincts. This showed how deeply the feeling of liberty, the attachment of a free Government, was planted in the breasts of those who once enjoyed it; planted in the breasts of those who once enjoyed to and how vain and idie were all the arts employed to shake it!

Another great advantage nowing from the admission of Texas would be that it would relieve us from the painful position of having a rival Republic at our the painful position of having a rival must become an enemy.

Her great staples were our great staples: we should be patural rivals in the same markets of the world. wielded to the arguments of his friends. During the interval between the formation of the treaty and its submission to the Senate, he certainly did entertain strong doubts; but it was manifest those doubts must have been subsequently removed, for he approved and signed the treaty and the act for the territorital government of Louisiana with his own hand. Since then the ed the treaty and the act for the territorital government of Louisiana with his own hand. Since then the ment of Louisiana with his own hand. Since then the power had been exercised over and over again.

[Mr. Evans made a word of explanation, not heard to see a social down the louisiana with his own had been exercised over and over again.

[Mr. Evans made a word of explanation, not heard to see a social down the intrigues of Frieland to seduce her not the second of the seco

But what had been the argument of the Senator from Kentucky? Had he done any thing more than cits the letter of Mr. Jefferson? He laid his entire foundation on that letter; he raised his wholeargament on it. Yet from the acts of Mr. Jefferson, (and actions on that letter; he raised his wholeargament on it. Yet from the acts of Mr. Jefferson, (and actions payke louder than words.) it was plain that he had been in error. Surely became convinced that he hed been in error. Surely all who knew Mr. Jefferson would admit that if he knew Mr. Jefferson would admit that if he knew Mr. Jefferson would be a direct violation of his oath to knew Mr. Jefferson would admit that if he knew Mr. Jefferson would be a direct violation of his oath to knew Mr. Jefferson would admit that if he was and border feuds had burned with a doubtened with he development of an ingent that he The bester show which is the short when the best in error.

Suely all who knew Mr. Jefferson would be after would be after who would be constructed that he best here in error.

Suely all who knew Mr. Jefferson would be after who would be after the short who had no more of his proposal and the doctries was now easiblished that we night (at least by the Lordship has been induced to medicate this hoppy lead, from the Aliantic to the world. It was not the courage, both the indomitable reads to a case of the death of Louis Philips. If it be true, for the courage, both the indomitable reads to a case of the death of Louis Philips.
