INAUGURAL ADDRESS. MARCH 4, 1845.

FELLOW-CITIZENS: Without solicition on my part, I have been chosen by the free and voluntary suffragratitude for the confidence reposed in me. Honored ruins of this Union a happier abode for our swarming in every part of the Union will readily submit to the His gracious benedictions upon us, that we may conwith this distinguished consideration at an earlier perimillions than they now have under it? Every lover of payment of such taxes as shall be needed for the suptinue to be a prosperous and happy people. discharge of my official duties.

If the more aged and experienced men who have filled the office of President of the United States, even in

discharge the duties of that exalted station, what ought and less endowed, now that our unmany care of compositions of the composition of the principles and policy which should characterize the administration of our government? Well may the boldest fear, and the wissest tremble, when incurring responsibilities on which may depend our country is peace and prosperity, and, and our country is peace and prosperity, and, and the prospective of the principles and policy which should characterize the administration of our government? Well may the boldest fear, and the wissest tremble, when incurring responsibilities on which induged in schemes and sgitutions, whose object is the destruction of domestic institutions existing in other destroy these compromises, being terms of the most ruinous and independent State, in ours. I congratulate my country that, by an act of the late Congress of the Unit of States, the assent of this government has been given to the re-union; and it only remains for the two countries to agree upon the terms, to consummate an object to important to both.
