Consumenten, read the Wonderful Cures performed by Dr. Swayne's Compound Syrup of Wild Cherry.

The wonderful cures performed by this valuable medicine, in Pulmonary Consumption, Coughs, Colds, Asthma, Bronchitis, Indigestion, Hoarseness, Spitting Blood, Liver Complaint, Pain in the Side and Breast, Tickling or Rising in the Throat, and all diseases of the Lungs, have excited the astonishment of all who have witnessed its marvellous effects; there is no account of a medicine more efficacious in curing the most inveterate cases of the above mentioned diseases, than this extraordinary medicine, which is sold by Dr. Wm. Thoms, Druggist and Apothecary, Pittsburgh.

**IMPORTANT TESTIMONY.**  
Dr. Swayne, Dear Sir:—In last October, while engaged with Mr. Joseph Smith, in a saw-mill near Waynesburg, I was attacked with a cough from being exposed at night, which gradually increased, attended with spitting of blood, and a severe pain in the breast, loss of appetite, fever, &c. &c. which I was scarcely able to support. Had a family who were wholly dependent on my exertions for support, yet I was obliged to leave my business, and to return home, where I attended by several physicians, but still grew worse, until my medical attendants gave me up as incurable. Subsequently, my wife procured for me one of the bottles of Dr. SWAYNE'S COMPOUND SYRUP OF WILD CHERRY, and after having taken five bottles, I continued until I had taken five bottles; I am now able to return to work again. I write this to offer you my thanks, and to let you know that I have been cured, so that if any human being is suffering as I have been, he may have recourse to your invaluable medicine.

JOHN P. BOYNE, Lewistown, Del.
