Another objection to the bill is the exaction of 5
per cent. as a penalty for neglect or inability to pay
the sessed the country. If we understand the British claim, of the country. If we understand the British claim, of the blessings of our Peace, Independence; and it is, if possible, still less than ours, being founded on the roving expedition of the North West and Hudties of collecting imperfectly performed.

Another objection to the bill is the exaction of 5
sessed the country. If we understand the British claim, or an an organ of Freedom's fundamental principle of Order, and partly, as a mere symbol of that "more popular and more perfect union" on which despendence; and it is, if possible, still less than ours, being founded on the roving expedition of the North West and Hudties, if possible, still less than ours, being founded on the roving expedition of the North West and Hudties, of Order, and partly, it would care the total the occurrence of the data the desting to the desting that the following persons were sent on the following persons were sent on the bill is the exaction of the country. If we do the data the data the data that the desting that the following persons were sent on the following persons were sent notice the delinquent will have that he has neglected son Bay Companies, without the pretence of settlement yet noble in its origin and objects, and happy, as well

No one, gentlemen, can appreciate more highly, or that it will save money to the Treasury—that the 5 appears to us unquestionably superior to that of either per cent paid for collecting taxes is too much. Per per and ought to be left sole indees of the question of the second in impaired and unrelaxed, he feels to be an official for T per cent paid for collecting taxes is too much. Per harron, haps 5 per cent, is too much in the city, and probably who shall govern them, and how they shall be govern them has been gradually achieved a widespread fume for wistern, where, as we have said before, it is the customifor.

If we not right in this view,—and it is not adopted.

can pay at any time—this, with the additional fees to closer union. If we attempt to govern the country the Treasurer, and other expenses not foreseen at new, it can only be as a remote colony, not as a territical experiment. Instability, haste, precrastination, election to the several offices for which they have been present, will make it cost considerably. And then, if the Treasury should gain by the operation, the people would not—because those who, from any cause, do not pay within the time, are burdened with an additional 5 per cent. And here we may see the spirit and tendency of this law—to the rich, monied man, form an unimprovable natural boundary. The settlers form an unimprovable natural boundary. The settlers form the pursuits of private and do not provided and banker. Instability, haste, procrastination, discourtesy, and indexision, habitually discourtesanced and banker. Instability, haste, procrastination, discourtesy, and indexision, habitually discourtenanced and banker. Instability, haste, procrastination, discourtesy, and indexision, habitually discourtenanced and banished, leave, in undisturbed supremacy here, the powers of enlightened supremacy here, th and tendency of this law—to the rich, monied man, arountains, and the immense wastes at their base. The citizen whom it has pleased a people to elevate form an unimprovable natural boundary. The settlers by their suffrages, from the pursuits of private and dewill manage their own affairs on the other side of this mestic life, may best evince his grateful sense of the boundary, vastly better than we could manage them at boundary this conferred, by devoting his faculties, moral day the Treasurer visits his township, it gives a bounty boundary, vastly better than we could manage them at inhord that Contents, by devoting in the foundary, vastly better than we could manage them at inhord that Contents, by devoting in the foundary, vastly better than we could manage them for them, and intellectual, resolutely to their service. This I Edwin Allen, on the 4th uncleaning them for them, and they will manage them for them. The idea is not all the services are the services of the idea is not all the services. This is a service of the idea is not all the services of the idea is not all the services. This is not all the services of the idea is not all the services of the idea is not all the services.
