W. LYND, having copartnership with C S Bickle and taken out an Auction commission of the first class they are now ready to

460 Liberty street, where he will be prepared to supply one of the partners being most of the time in the purchasers with any articles in his line. In addition eastern cities, securing large and regular consignments purchasers with any actions in his line. In distribute of scasonable merchandize, they are enabled to have obtained the right to manufacture and sell Hathaway's Patent Hot Air Cooking Stoves. This stove is pronounced superior to any other now in use in the United States; it is more durable in its construction, and better adapted to the use of baking, roasting and cooking, as it is heated very regularly by confining the air in the stove; and it is a great suring of fuel as well as labor. I will keep on hand a sufficient number to sup-
