For Coughs! Colds! Consumption!! THORN'S PULMONARY CANDY.

THIS pleasant and certain cure for Coughs, Colds, Hoarseness, and all the pulmonary affections now or ever offered to the public. The use of it is so great that the proprietor has some difficulty in keeping a supply for the increasing demand. Medical agencies, grocers, druggists, confectioners, and even bars on steamboats keep a supply on hand. It is called for every where, and will sell in any place. The reason is this: every one who has a cough or cold by eating a few sticks finds themselves cured, as it were, by magic. Persons at a distance, by remitting the money, pay to the subscriber, will be attended to. For sale by the general agents, 58 Market st., where a general assortment of Drugs and medicines may always be found.

Consumptives, read the Wonderful cure of

DR. SWAYNE'S COMPOUND SYRUP OF WILD CHERRY.
The following is a true and correct account of the cure performed by this invaluable medicine in Pulmonary Consumption, Coughs, Colds, Asthma, Bronchitis, Influenza, Whooping Cough, Croup, Sore Throat, Hoarseness, Pain in the Side and Breast, Tickling or Rising in the Throat, and all diseases of the Lungs, and Breast, have cured by its use. It is a safe and reliable remedy, and its use is recommended by the most eminent Physicians, who are all appended, and are deemed sufficient recommendations for its use.

IMPORTANT TESTIMONY.

Dr. Swayne, Dear Sir—In last October, while engaged with Mr. Joseph Smith, in a saw mill on Wayneburg, I was attacked with a cough from being exposed at night, which gradually increased, attended with vomiting of blood, and a severe pain in the breast, loss of appetite, fever, &c., &c., which was scarcely supportable. I had a family who were wholly dependent on my exertions for their support, and I was obliged to leave my business and return home. I was then attended by several physicians, but still grew worse, until my medical friends gave me up as incurable. Subsequently, my wife observing in one of the public prints an advertisement of DR. SWAYNE'S COMPOUND SYRUP OF WILD CHERRY, she procured me one bottle from Francis McCullough, your agent in Lewistown, which relieved me. I continued until I was cured, and I have since used it as a preventive. I write this to offer you my sincere thanks, and you are at liberty to make it known so far as you may think proper, and to have been published in any paper you may desire. Your obedient servant,
JOHN P. BOYNE.

WORTHY FRIENDS—Having made a thorough trial of the Medicated Vapor Bath for four months past, in our societies in New Lebanon and Watervliet, we think it our duty to state, that it constitutes a valuable improvement in the heating art. Its power in relieving both chronic and acute inflammation, also in removing the morbid humors, is unquestionably the safest and most remedial that we have ever seen. Several cases in our society, where there were no other means of relief, were cured by its use. In cases of obstructed menstruation, it is unquestionably the safest and most remedial that we have ever seen.
