a point of business. To us it seems unaccountable, has been sojourning, on Friday. He will take to Ash-Bourstills, one of which has been sojourning, on Friday. He will take to Ash-Bourstills, one of which has five run of stone, and is but if there are reasons, we would like to see them land the Address of the New York Chy Clubs, engros-worth at least \$15,000. It is a stupendous building, sed on several sheets of parchment, and enclosed in put up in the best manner, and all the running gear is fully laid open to the public.

fully laid open to the public."
The "prejudice" complained of here, if we guess
rightly, is the simple fact that the Baltimoreans are
beginning to discover thet it is to their interest to have
the rail road terminate at that point where the great that for Murce of Norrel A road terminate at that point where the great that for Murce of Norrel A road terminate at that point the difference on Sixth street.

EXERCISE the streemely at the difference on the difference on the difference on Sixth street.

EXE we the real not the real not the real that you in the great that you in the definition and of an old and terminated with a sugar-refiner by occurate many of the server and take and manufactures of its own, and finite that and and manufactures of its own, and finite that a sugar-refiner by occurate many of the server of the serv

which it complains has but recently sprang op in Baltimore. The question naturally arises—what has produced this new fieling? Why does Wheeling, which certainly has never had cause to quarrel with Bal-timore heretofore, now complain so feelingly of real or imaginary injustice from that city? It is because the B-biccore is convised that Wheeling, however the B-biccore is convised that Wheeling, however

means necessary to carry the rail road to the Onto at that point where she desires it to strike that river? Or is it because the Monongabela Navigation, a despicable improvement in the eyes of the good people of Wheel-ing, has, during the brief period of its operations, done a business which has convinced Baltimore that it is

a business which has convinced Baltimore that it is clearly for ber advantage to cultivate and extend her business relations with Pittsburgh 7 We have no doubt hat the causes of the "prejudice" compliance of the the causes. While writing the above we keres furnished with a letter, from which we make the following extract. It was written by one of the meast cause and enterprising of the business men of the west, to a genteman concerned in the Monongubela Navigation, that Wheat and out of a gentema concerned in the Monongubela Navigation, that Wheat and soft of clock in the sense of sweet voices juined in the sense of a coulting will cause a proposed.
