They were much the timber duties-a circumstance which it behooves embarrassed by the refusal of witnesses to attend, and us by all means to avoid bringing on ourselves. few persons would answer the written interrogatories sent to them. To remove these difficulties, the following suggestion is made:

"The board might perhaps be permitted here to made by them. Authoritative instructions should be and profitable. issued by the Auditor General, requiring very specific each object of taxation, in each township in their respective counties; or at least the classifications of obaccuracy and convenience. This would be of great use to the Auditor General, and any subsequent board revenue commissioners, in testing the accuracy of the returns. But nothing of this kind can be of any use unless proper forms are prepared at Harrisburgh, and

sent to all the county commissioners.'

\$200, should be taxed. As they are in doubt whether lacomes are to be taxed according to the act of June look filled with a large lot of bills, which he had been loo 1840, at one mill on the dollar; or, according to the seen to have during the day, is missing. act of '41, at one per cent on every dollar above \$200 -they ask the legislature to pass an act to determine

It has been found impossible to get at any thing like the real amount of stocks, foreign or domestic, which are subject to taxation. In order to remedy this evil, so far as relates to demestic stock, the board recommend that corporations be taxed directly, and not the E. K. Foster candidate for Governor.

Great difficulty has been met with, in ascertaining the amount of household furniture, liable to taxation -there has also been a deficiency in the returns of money at interest due to individuals. To remedy these mish between same Creeks and Pawnee Mahas. It things, it is proposed to authorize assessors to require appears that a few Creeks were out on the prairies mount of money on interest due to him. The board by the Pawnee Mahas. The enter into a sort of defence of this project, which, it

fears, will be liable to strong opposition. lands by a nominal standard, falls fat short of the real standard, and the board think it almost fair to infer that in no county in the state has property been valued order to stop the visits of these hostile Indians who is a labeled to station some troops in the Creek nation in order to stop the visits of these hostile Indians who is a labeled to station some troops in the Creek nation in order to stop the visits of these hostile Indians who is a labeled to station some troops in the Creek nation in the function of the function turns of money at interest, salaries, occupations, carriages, &c. are manifestly unequal, the board has ad. hered to them, because, in guessing at their proper to be held in May next at the Creek council ground amount, they ran the risk of doing serious injustice.

The next triennial assessment should, in the opinion of the board, take place in the fall of '46, and the man, arrived this morning. She left Hong Kong on next Revenue Board should meet in '47. We are the 17th of December, and therefore brings five days glad the board seem favorable to the proposed tax on later advices. State stocks; the following paragraphs from the reresting:
