The Daily Morning Post.

THOS. PHILLIPS & WM. H. SMITH, EDITORS. PITTSBURGH, FRIDAY, APRIL 4, 1845.

BALTIMORE AND OHIO RAIL-ROAD.-We insert a communication from J. B. MODRHEAD, Early defending his brother, who is now absent, from the sapersions of the American. While all must admit that the vindication of Gen. MOORHEAD's motives and conduct

Those who believe that the State works would sufcity, must admit that if the Company can construct Road to this place, they can carry it on to Wheeling, or some other point in Virginia; and also, that ther will do their utmost to complete it to some other hand, the terminus of the Road is fixed in another nephew. State, with interests wholly adverse to ours, our public works would suffer much more than they possibly can do if the terminus be fixed at this city.

may be obtained, is a very small favor to a company

should refuse to grant it at this session, the damage is understood.

In regard to the personal allusion of the editor to

from want. While so many females are needing aid, it is almost impossible to advance the compensation.

If the Pennsylvania legislature deny the privilege Creighton. The cause was some trifling insult on the scutched.

the riesement of the obt date, in noticing the interior, privilege of coming into our State. It is, therefore, ture. the city has offered himself as security for the use of the Tab-the Rnil-Road should "stay stopped at Cumberland;" Bi ernacle, where addresses will be given by some of our there it will remain unless favored by the Pennsylvamost eloquent speakers, and other attractions offered nia legislature. for the benefit of the female operatives.

the recent session, and became a law. This bill will States, and give increased employment to American Making a difference of 20 cts per 100 lbs, in favor of being exhausted, he was about relinquishing his hold

ACCIDENT TO MR JAMISON .- We see by the Phila- not forwarded by this route now, is owing to the difficuldelphia Times, that Mr Jamison, the actor, (who is berland and Brownsville, and the influence and intewell known to the play-goers of Pittsburgh) had his rest, exerted in favor of the Canal route by the extencellar bone broke at the theatre on Saturday night.—
Sive and numerous lines formed for transporting goods on the State Works. Should these difficulties be removed, as they would be by the extension of the Roil stated that in one street in Londona board was put up bridge with the child, the carpenters made a mistake Road, the State Works will be but monuments of legand let it down too scon. He saved the child from islative folly. harm, but suffered a serious injury himself.

"Gentlement Letters' received by this evening's small, direct from Fexas, and from hose fully acquainted they are repeated by that respectable paper the thartour form Fexas, and from hose fully acquainted they are in a great measure true. Mr Pillsbury, and doubt that an extraordinary wruggle is going on the least doubt that an extraordinary wruggle is going on the least doubt that an extraordinary wruggle is going on the least doubt that an extraordinary wruggle is going on the least doubt that an extraordinary wruggle is going on the least doubt that an extraordinary wruggle is going on the least doubt that an extraordinary wruggle is going on the least doubt that an extraordinary wruggle is going on the least wall, direct from Fexas, between the friends of annaexation and the experienced and efficient officer, was not long since their proceeding. The negro was not able to give any information leading to the discovery of his employers, and being evidently insocent of all conscious wrong, in his wriggery, appointed instead. Since then there is the plan of Allegheny Town, and extending in front on the was discharged. All the available force at the plan of Allegheny Town, and extending in front on the was discharged. All the available force at the plan of Allegheny Town, and extending in front on the was discharged. All the available force at the plan of Allegheny Town, and extending in front on the was discharged. All the available force at the plan of Allegheny Town, and extending in front on the was discharged. All the available force at the plan of Allegheny Town, and extending in front on the was discharged. All the available force at the plan of Allegheny Town, and extending in front on the was discharged. All the available force at the plan of Allegheny Town, and extending in front on the was discharged. All the available force at the plan of Allegheny to the

and all but unanimous in favor of Annexation. Lead- England! far from making the terminus of the Rail-Road at this ing men and politicians may naturally enough be opposed to a measure calculated greatly to diminish their own personal consequence-to say nothing of place. If Pennsylvania design must suffer more severely than they seven design must suffer more severely suppose he would live a week. For the iast outcomes, and suffer cottning, and a nail, where ane was divested of all the customs and appliances of which England has been no doubt lavish enough, with the view of defeating the four months he has not attempted to take his customs and, without receiving further violence, left to make the work of the four months he has not attempted to take his customs and, without receiving further violence, left to make the four months he say the seven whith the four months he has not

FOR THE POST. MESSES EDITORS—In the absence of my brother, dignity of his appearance. But we do not believe the question of granting this ply to a communication published in your paper, on A Georgia judge presented by his own grand judge presented by pite of way, is half as important as the ardent disputants on either side would have us believe. That it should have been promptly and cheerfully accorded seen fit to make a personal attack on his character and the policy of our State Legislature, greating the right of way to the Baltimore and Ohio Rail Read Company, to pass through this State to the Ohio River, found, upon assembling at the court house, that there seen fit to make a personal attack on his character and was no judge present to open the court, and after the superior of the policy of our State Legislature, greating the right ry.—The grand jury summoned to meet the superior court for Harris county, Georgia, on the 12th instant, the policy of our State Legislature, greating the right ry.—The grand jury summoned to meet the superior court for Harris county, Georgia, on the 12th instant, the policy of our State Legislature, greating the right ry.—The grand jury summoned to meet the superior court for Harris county, Georgia, on the 12th instant, the policy of our State Legislature, greating the right ry.—The grand jury summoned to meet the superior court for Harris county, Georgia, on the 12th instant, the policy of our State Legislature, greating the right ry.—The grand jury summoned to meet the superior court for Harris county, Georgia, on the 12th instant, the policy of our State Legislature, greating the right ry.—The grand jury summoned to meet the superior court for Harris county, Georgia, on the 12th instant, the policy of the policy of our State Legislature, greating the right ry.—The grand jury summoned to meet the superior court for Harris county, Georgia, on the 12th instant, the policy of the pol we are fully convinced—but we do not believe that
the effect of the success or the defeat of the measure
now, will be so tremendous as some people pretend.

Road Company ask. If that Editor expects to avoid In the first place, the mere grant of the privilege to the first place, the mere grant of the privilege to the character and business of an individual who hap delinquency. The grand jury present the absence of make a rail road, without, at the same time indicating pens to differ with him in politics, as we'll as in State the judge as a great grievance, detrimental and even some new resource from whence means to do the work policy, he will find it will avail him nothing. The ruinous to the interests of the people, having business friends of his favorite measure, dare not meet the ready and waiting for judicial decision, and what is may be obtained, is a very small favor to a company question tairly; they know, and the Editor knows, that abundantly worse, and in fact intolerable, say the jurors its friends are only those who expect to be benefited by this criminal neglect of duty on the part of the judge pany. We have not heard it said that the Company is the completion of the road to this city; the interest of at all prepared to go on with the work now; even if they at all prepared to go on with the work now; even if they had a grant of the right of way. In the second place, the defeat of the project at this season wou'd not by the defeat of the project at this season wou'd not by the defeat of the project at this season wou'd not by the defeat of the project at this season wou'd not by the defeat of the project at this season wou'd not by the defeat of the project at this season wou'd not by the defeat of the project at this season wou'd not by the defeat of the project at this season wou'd not by the defeat of the project at this season wou'd not by the defeat of the project at this season wou'd not by the defeat of the project at this season wou'd not by the defeat of the project at this season wou'd not by the defeat of the project at this season wou'd not by the defeat of the project at this season wou'd not by the real of the most claim any means prove that it could never be carried.— The friends of the Rail Road are contending for been adopted, the citizens of the county, in the court-Another legislature could easily reverse the refusal, and say that the company should carry its road through our State.

Besides all this, we believe, that if the right of way were now granted, and the company would do way were now granted, and the company would do way were now granted.

In the firends of the Kail Road are contending for home adopted, the citizens of the county, in the county home assembled, resolved themselves into a regular house assembled, resolved themselves in its best to complete the road to this place, before it ered a sufficient argument that they should now give &c. its best to complete the road to this place, before it could be completed, the increase of trade and travel stroy both his interest, and that of the State, yet this What will Maxico no?—The N. Y. Evening would be nearly or quite sufficient to give both the certainly comes as near an argument in favor of the Gazette, referring to the Journal's positive statement

canaland railroad quite as much business as they Rail Road bill as any thing that has yet appeared in that General Almonte expresses the opinion that the have to do now, while the Monongahela navigation would also drive a profitable business in its own exclusive trade, if it did not carry a pound of freight destinated for the West from Baltimore, or a pound coming in the does this, the Rail Road may meet with some factors and the control of the street of the control of the Mexican government will not think it necessary to destruct the columns of the American. I cannot think, however, that it will be deemed sufficient by the legislature to pass the bill, unless the Editor can succeed in convincing them that two wrongs will make a right; in the does this, the Rail Road may meet with some factors and the convergence of the from beyond Pittsburgh and destined for that city.

The Pennsylvania Canal, too, would always be able to the Pennsylvania Canal, too, woul The Pennsylvania Canal, too, would always be able charters have already been granted by our legislatures accordance with this declaration of the Journal.

The Pennsylvania Canal, too, would always be able charters have already been granted by our legislatures accordance with this declaration of the Journal.

That the Mexican people, smarting under a sense to carry goods cheaper than any railroad can transmaking rival improvements to the State Works. The
Tide Water Canal, the Harrisburg and Lancaster

Tide Water Canal, the Harrisburg and Lancaster Rail Road, and the Monongahela Slack-Water, may no matter how well disposed the government In view of these things, we do not think this question is so vital and absorbing, and that it is to be was at an end Such projects as this Rail Road, will ister, who, deprecating a resort to actual hostilities settled now and forever. Let the Rail Road have the meet with but little favor at the hards of the present has avowed his inability to perceive how it is to be a right of way by all means. But if the legislature legislature when the question is fairly discussed and voided by Mexico."

not by any means irreparable. We should be very my brother's course, I can only say to him, that he is Gen. W. Gibbs McNeil, from the office of Engineer sorry to think, if the anti-way people triumph in the responsible for his own acts, and he is competent to of the Brooklyn Dry Dock, and appointed Capt. Sawlegislature this session, that Pittsburgh is to be for-take care of himself, if met fairly, face to face. This yer to the place. This yer to the place. This of the Baltimore Rail driving at a man behind his back, is what has called mander of the Algerine forces of Rhode Island and ver excluded from the benefits of the Baltimore Rail forth this communication. It might be proper for me forth this communication. It might be proper for me less by one foot, to a post, north 873, east 44 perches cy color, on the shortest notice, and on the most reserved. Road, when it shall have been completed to the west form this communication. It might be proper not me here to say, that I had frequently been urging my With us this would be sufficient removal; but there to take part against this Rail-Road bill, as it were other mighty reasons for the change. As Capt NEW YORK FREALES.—It is indeed distressing to the Monongahela Navigation. His views were always of \$4000 a year will be made; and it is charged the Monongahela Navigation. His views were always of \$4000 a year will be made; and it is charged the same as mine; but from the fact of this being the McNeil has been extravagant and kept a needless large for hams, sides 5\$, and shoulders 4\$ 19 lb. read the accounts of suffering among the female la- place of his residence, and business, and the great staff. Whe do not know that it is cause of regret that borers of New York city. It would be some comfort excitement that existed among the citizens in favor of the federal press has assailed Mr Bancroft in advance. to the philanthrophist if the future promised any "bet. the Road, he had determined to remain neutral; and His efficiency, ability and industry will shine the brighto the philanthrophist it the future promised any obet-ter times." A N. Y. paper says that the other day a I believe he took no part for or against it, until called manufacturer of caps had applications to the extent of out by the American.
