JOHN HERDMAN'S
**Old Established Emigrant Passage Office,**
*61 SOUTH STREET.*

The subscriber, in calling the attention of his friends and the public to his unequalled arrangements for bringing out persons from Great Britain and Ireland who may be sent for by their friends, begs to state that in consequence of the great increase of this branch of his business, and in order to preclude all unnecessary delay of the emigrant, has at great expense, in addition to his regular agents in Liverpool, appointed Mr Thos H Dicky, who had been a faithful clerk in the establishment for the last eight years, to proceed to Liverpool and remain there during the emigration season, to superintend the embarkation of all passengers engaged here. The Ships employed in this line are well known to be only of the first class and very fast-sailing, commanded by kind and experienced men, and as they sail from Liverpool every five days, reliance may be placed that passengers will receive every attention and be promptly despatched. With such superior arrangements, the subscriber looks forward for a continuance of that patronage which has been so literally extended to him for so many years past, and should any change sent for decline coming, the passage money will, without, be refunded, and passage from the different ports of Ireland and Scotland can be secured if desired.

## DOCTOR EDMUND LANDIS'S
## PATENT DOUBLE SPRING TRUSS.
*For the Melioration and Cure of Hernia.*

HUMANITY is deeply indebted to the ingenuity and perseverance of Dr Edmund Landis, a citizen of Lancaster, Pennsylvania, for a valuable improvement in the construction of the Truss for the melioration of Hernia or Rupture, which, after being carefully tested by application to a number of patients, has never failed to give relief, and in most cases has proved successful in effecting a permanent cure.

This improved Truss has been submitted to the most eminent members of the medical profession, who, after fair trial and examination, have concurred in pronouncing it an important discovery, particularly as it admits of perfect adjustment to the seat of the complaint, and of bearing with certainty upon the point where the pressure is required, without admitting of a chance of change or of shifting by any action of the muscles, hip or body,—the outer spring, which is very elastic, only giving, by which arrangement every movement is accommodated.

The suffering and imminent danger to life consequent upon that most distressing of all complaints, *Strangulated Hernia*, need never be apprehended by persons who wear this improved Truss, and the patient may cherish a confident hope, that in consequence of the intestine or omentum never being permitted to protrude in the slightest degree, that the distended ring or opening will gradually contract, and a permanent cure be effected, when the Truss may be dispensed with altogether.

This Truss may be very properly termed, Dr LANDIS' COMPOUND SPRING TRUSS; the springs being 2 in number, the inner and the outer, the latter lying over the former. The exterior spring is three times the length of the interior, upon the end of the latter the compress or elliptical pad or block is fastened, which rests upon the affected part. There is a small adjusting screw, which passes through the outer spring, immediately over the pad or block, and is formed to bear upon any part of the block, so that the pressure can be made to act immediately upon or over the rupture with the degree of force or weight which the case may require. The whole apparatus is so adjusted as to fit any peculiarity of form, at the same time so flexible as to occasion neither inconvenience nor uneasiness to the wearer, while following his usual avocations.

The following distinguished members of the Medical profession have borne ample and unqualified testimony to the palliative and curative value and importance of Dr Landis' discovery: George B Kerfoot, M D., and John L Atlee, M D., of Lancaster; Geo M'Clelland, M D., Professor of Surgery in the Pennsylvania and Jefferson College, and Samuel M'Clelland, M D., Professor of Anatomy in the same college; Samuel Martin, M D., Professor of Anatomy in the Pennsylvania College, &c.; James M'Clintock, M D., Professor of Surgery in Vermont College, &c.; John Wiltbank, M D., and W B Grant, M D., Professor in the Pennsylvania College; Henry G Patterson, M D., Professor of Materia Medica in the Pennsylvania Medical College; to which we add with pleasure the respectable names of S Snyder, M D., J K Neff, M D., C L Baker, M D., and Henry Carpenter, M D., of Lancaster.

H H McCULLOUGH having purchased the patent right for making and vending the above TRUSS, is prepared to furnish them to all who may be afflicted with that disease. He is also prepared to fill all orders from Physicians and Druggists, and solicits their patronage. He will attend to applying the instrument; believing it to be superior to anything of the kind ever invented. He has put the price so low that it is within the reach of all. The testimonials of the eminent Physicians, whose names are above appended, are deemed sufficient recommendations.

## HATHAWAY'S
### Patent Hot Air Cooking Stoves.

THE subscriber having entered into the stove business in Pittsburgh, respectfully informs the public that he intends carrying it on in its various branches at the warehouse No. 124 WOOD STREET, above Fifth street, where he will be prepared to supply purchasers with any articles in his line. In addition to other Stoves which he will have on hand, he has obtained the right to manufacture and sell Hathaway's Patent Hot Air Cooking Stoves. This stove is pronounced superior to any other now in use in the United States; it is more durable in its construction, and better adapted to the use of baking, roasting and cooking as it is heated very regularly by confining the air in the stove; and it is a great saving of fuel as well as labor. I will keep on hand a sufficient number to supply all demands if possible: I have five different sizes, and will sell them on reasonable terms, according to sizes. I have now in use upwards of fifty in and about this city; all put in use within six months. Being aware that the People of Western Pennsylvania have been imposed upon by the introduction of new and highly recommended Stoves which were badly constructed, and having soon failed and become useless. I will grant to persons wishing to procure the Hot Air Stove, the privilege of using it a sufficient length of time to prove its superior quality before I ask them to purchase. Persons notifying me from a distance by letter, can have stoves put up at any time, as I have wagons to carry them out; I therefore invite Farmers and all persons to come and judge for themselves; also to try them and prove that it is to your advantage to have one. All orders will be promptly attended to by the subscriber.

ROBERT DONAVAN.

### RECOMMENDATIONS.

*Miller's Mansion House, Sept, 12, 1844.*

Mr. R. DONAVAN—Sir: I have in use one of Hathaway's Hot Air Cooking Stoves, which I got from you last Spring. It affords me much pleasure to recommend it for its excellence. So far as my knowledge extends, I have no hesitation in saying it is the best stove now in use. I need not particularize its merits, but would advise all disposed to possess an article of the kind, to adopt the best method of satisfying themselves, that is, to try it; and I doubt not they will be satisfied.

D. R. MILLER.

*Washington Temperance House,* }
Pittsburgh, Sept. 19, 1844. }

Mr. R. DONAVON—Sir:—I have had in use for five months, one of Hathaway's Hot Air Cooking Stoves, and I have no hesitation in saying it is the best stove now in use. The various kinds of cooking it is calculated to do at the same time, and the small quantity of fuel required, makes it an object worthy the attention of all who desire a good stove.

THOMAS VARNER.

☞ I embrace this opportunity to recommend the Hot Air Cooking Stoves; I have used the one you put up for me constantly all summer, and I must say it is a grand article. I believe it is superior to any other stove now in use in this city. The oven bakes well, and is large enough to bake four large loaves of bread at one time; it also cooks very speedily, and it requires very little coal. I think them worthy the attention of all who wish a good stove; to such I would say, try them and prove what they are.

La! what makes your teeth so unusually whith?
Quoth Josh's dulcinia to him t'other night,
To make yourn look so, with a grin, replied Josh,
I've bought you a bottle of Thorn's Tooth Wash,
'Tis the best now in use, so the gentlefolks say,
And since they have tried this, cast all others away.
But to prove it the best to make the teeth shine,
Look again, my dear Sal, at the lustre of mine.
Then try this great tooth wash,
The Teaberry tooth wash,
And see if this tooth wash of Thorn's is not fine.

Having tried Dr. "Thorn's Tea Berry Tooth Wash," and become acquainted with the ingredients of its composition, I cheerfully say, I consider it one of the safest, as it is one of the most pleasant tooth washes now in use. DAVID HUNT, Dentist.

Pittsburgh, Sept. 15, 1842.

I take pleasure in stating, having made use of "Thorn's Tea Berry Tooth Wash," that it is one of the best dentrifices in use. Being in a liquid form, it combines neatness with convenience. While it cleanses the enamel and removes the tartar from the teeth, its perfume yields a fragrance peculiarly desirable.

J. F. TIBBETTS, M. D.

The undersigned have used "Thorn's Compound Tea Berry Tooth Wash," and have found it to be an extremely pleasant dentrifice, exercising a most salutary influence over the Teeth and Gums; preserving those indispensable members from premature decay, preventing the accumulation of Tartar, and purifying the Breath. Having thoroughly tested its virtues, we take pleasure in recommending it to the public, believing it to be the best article of the kind now in use.

WOULD be consulting their own, and the interest of their customers, to a very great extent, by purchasing Spices, Drugs and Dye Woods in the Eastern markets, whole and in sticks, and getting them ground and chipped at the Franklin Manufactory, Second street.

It is not generally known, but nevertheless true, that Drugs and spices sold in the East, are lower in price than whole, of course the profit and cost of grinding must be made up by adulteration; dye woods have at least 15 per cent, and in some cases 25 per cent. of water added to them. THORN'S PULMONARY CANDY.

THIS pleasant and certain cure for coughs and colds goes ahead of all the preparations now or ever offered to the public. The use of it is so great that the proprietor has some difficulty in keeping a supply for the increasing demand. Medical agencies, groceries, drug gists, coffee-houses, and even bars on steamboats keep a supply on hand. It is called for every where, and will sell in any place. The reason is this: every one who has a cough or cold by eating a few sticks find themselves cured, as it were, by magic. Persons at a distance, by remitting the money, post paid, to the subscriber, will be attended to. For sale by the stick, 6¼ cents; 5 sticks for 25 cts; and at wholesale by WM THORN, Druggist, 53 Market st, where a general assortment of Drugs and medicines may always be found. nov 28

### Consumptives, read the Wonderful Cures performed by Dr. Swayne's Compound Syrup of Wild Cherry.

The wonderful cures performed by this invaluable medicine, in Pulmonary Consumption, Coughs, Colds, Asthma, Bronchitis, Influenza, Whooping Cough, Croup, Spitting Blood, Liver Complaint, Pain in the Side and Breast, Tickling or Rising in the Throat, and all diseases of the Lungs, and Breast, have excited the astonishment of all who have witnessed its marvellous effects; there is no account of a medicine, from the earliest ages, furnishing a parallel; the almost miraculous cures effected by this extraordinary medicine are unprecedented.

### IMPORTANT TESTIMONY.

DR SWAYNE, Dear Sir:—In last October, while engaged with Mr Joseph Smith, in a saw-mill near Waynesburgh, I was attacked with a cough from being exposed at night, which gradually increased, attended with spitting of blood, and a severe pain in the breast, loss of appetite, fever, &c. &c. which was scarcely supportable. I had a family who were wholly dependent on my exertions for support, yet I was obliged to leave my business and return home. I was then attended by several physicians, but still grew worse, until my medical attendants gave me up as an incurable. Subsequently, my wife observing, in one of the public prints, an advertisement of DR. SWAYNE'S COMPOUND SYRUP OF WILD CHERRY, procured me one bottle from Francis M'Clure, your agent in Lewistown, which relieved me; I continued until I had taken five bottles; I am now able to return to my work again. I write this to offer you my sincere teanks, and you are at liberty to make this known, so that if any human being is suffering as I have been, they may have recourse to your invaluable medicine.

Yours, JOHN P. BOYNE.
