## The Daily Morning Post.

THOS. PHILLIPS & WM. H. SMITH, EDITORS. PITTSBURGH, THURSDAY, APRIL 10, 1845. was drawn by a mule, near the pavilion, with a view yone says: "The news is important mainly on account "There is a true democracy looking upon the world! "Each man is considered as a brother, whatever be "his country or his home, or however poor or degra ded he may be. Individual life is no longer considfered of little value. Happiness to the people is more "thought of now than the glory which associated "itself in times past with the talent for human destruc-

This is a sentence from a monthly publication cal-Is a sentence from a monthly publication care led the Advocate of Peace; it is contained in an artiled the Advocate of cle headed "Elliot's thoughts on Peace." Of the English poor. He says the causes of their suffering are truth and soundness of the sentiment we are well convinced. In spite of all the miseries which the poor of our day have to encounter, we believe there are more of our day have to encounter, we believe they are more it is abhorrent, the fact that the ministry of Great city was agreed upon with the greatest unanimity.

A for exportation 350 American and 1,550 Surat and Maderican and 1,550 Surat and 1,55 happy, batter fed, better clothed, better educated, and Britain should have made the condition of the Poor public meeting was convened, at which Gen Memu. Madras. better cared for, than they have ever been in modern a theme for deep and anxious deliberation, is a point can Hunt presided. A preamble and resolutions, extimes, or perhaps at any period of the world's history gained. The most that the lawgivers of Britain have In the U. States, although much more might and ought done for the poor herotofore, has been to provide means were drawn up and passed without dissent from any to be done to ameliorate their condition, they are un- for their partial relief, when they become reduced to the questionably better off in every respect, than the poor lowest point of privation and suffering. Now, howof any country have ever been. And even in England, ever, it would seem that ministers were considering in spite of the cruelty of the cotton mills, and the coul some mode for the prevention of pauperism, and for tants of Texas upon the great event, and everything mines, in spite of the corn-laws and the game-laws—in the more officinal removal of its horrors. spite of the tyranny of the land-holders and the mas- In the conclusion of the august deliberators, there ter manufacturers - and in spite of the fearful liability it must be confessed, but little to encourage the famfate is relieved by bright gleams of hope and comfort. A vast number of their more fortunate countrymen, sympathise with their condition, labor with noble subject, they will soon be compelled to act. philanthropy for their relief, and seem to be moved Sir Robert will not get leave to settle the matter, er, however poor or degraded he may be."
