CERTIFICATES .- Letter from the Hon. Abraham M'Clellan, Sullivan County, East Tenn., Member of THE Sin of Ignorance is easily forgiven. Many of the "nontrams" of the present day are put out by persons who have no knowledge of the science of medicine in theory or practice, and in order to hide their ignorance cry outloudly against the "Ignorant Pretenders," and bribe others to boast for them, which of times has gulled the unsuspecting, and for want of a proper knowledge of the diseases they pretend to cure, no doubt think they cure when they do not, therefore they are to be pitted, but not half so much astione who take their "miserable compounds," but they not only love their money, but miss the advantage of that necessary advice which the real practical physician, is always able to give. We look to the tailor for an improvement in the mode ofdress; to the medical man for an improvement in the science of medicine—and this accounts for the great superiority of Dr Swayne's Compound Syrup of Wild Cherry over all other medicines ever offered to the public for the cure of all diseases of the Lungs and Breast, Cough's, Colds, Consumption, Asthma, Spitting Blood, Liver Complaint, Pain in the Side and Breast, Broken Constitution, &co. Remember always to inquire for the name of Dr Swayne, as all preparations which have the Congress.
