TURKEY. The spirit of reform has extended to Turkey. The Ministers had issued a hatti-sheriff, in which they express their anxiety to improve the condition of the people. To service at the best means of carrying out their contemplated improvements, two deputies were JAMES W BUCHANAN, their contemplated improvements, two deputies were to be summoned from each towalor district, the one a Turk, the other a Rayah, to give evidence respecting their several localities. When the evidence is colle ed, a plan is to be formed for assimilating the insti tions to those of European States.

SPEAKER OF THE SENATE. On Tuesday, in pursuance of previous notice, Mr Wilconfusigned the office of Speaker of the Senate, and Mr The stronger, of Montgomery county, was elected in his stead upon the eighth ballot. The bellotings were as follows:

7 9 9 8 9 11 10 10 $\begin{smallmatrix}9&7&1&&1\\6&7&7&12&9&3&1\end{smallmatrix}$ 5 2 2 2 8 9 7 2 Upon leaving the chair Mr Wilcox delivered a neat | co. Also a quantity of damaged Queensware, &c. and pertinent address, and the Senate passed a vote

brief but handsome manner, for the honor conferred

upon him. If either of the addresses have been writen, we have not been able to procure a copy.

Citizen's Hotel THE subscriber has opened the Citizen's Hotel on Penn street, as a house of public entertainment, in that large brick house, formerly the Penn House, ear the canal bridge, where he is provided for the commodation of the public, and will be glad at all imes to see his friend BENJAMINF, KING.

an 21-d2w EXTENSIVE AND VALUABLE His body was left at Saltsburgh, to await the coming Water Power and Pactory Sites at Pri-Magnetic fluid; which has, to some extent, been the and Islands, in the river, with factory buildings and subject of notice and remark in the public journals. could be necessary to work the factory and farm. The dam and head-gates are nearly new, and very substantially built. A very large amount of money has

we franc piece's are to be current at No 44. Market street, they have now, with what they ted, from its contiguity to the railroad, and having a large flow of pure spring water, at various elevation of fifteen to forty or fifty feet, which could be advan-tageously used for bleaching and chemical and other works necessary to the trade of the city, with granite and good brick clay convenient for the erection of any uildings required.

I have obtained a charter from the Legislature of Virginia, for a term of thirty years to form a company of any kind of manufactures that may be desired, under the title of the "Spring Hill Manufactu-

ring Company." I would prefer to sell the above property to a company, under the Charter, at a very low price, taking one half or one third of the amount is he stock of the company, thereby participating in its creasing value. The situation and buildings, are well suited for a Woolen Factory, having the indispensable requisites of an abundant supply of pure spring water, freedom from dust, and ample space for all the operations necessary in the manufacture of Flannels. Tweeds, fancy

Cassimeres and other Woolen goods, (for which our irmers can furnish an abundant supply of wool.)-The buildings, dam, head gates, &c., being up, the company would require little capital to do a profitable business, having the advantage of the latest improvements in machinery, and could go into operation immediately. They would have the advantage of a

Special Loan Agency. Unquestionably and incomparably the most im-HE night of the Fire, in Wood street, a parcel portant thing to be done in the present crisis is the reportant thing to be done in the present crisis is the rebuilding of our waste places. No man acquainted with the locality of Pittsburgh, it business facilities and its business men, can doubt for a moment, that the indomitable energy and enterprise of its population small parcel of remnants of dry goods. Inquire would very soon re establish its position if the crumbto a great extent, be sufficient to set in motion the prostrate industry paralyzed by the late calamity, if we had houses in which to resume business. The CORMERLY of the Monongahela House, may be ground itself, now buried in the smoking ruins of the purpose, and this security might be entanced by a guarantee that the money loaned should be expended on the ground, and a policy of insurance in any place designated by the lender himself and assigned to him

The subscriber, at the instance of some of the sufagent, and, if necessary, locate himself in some of them to attend to that business. He proposes to carry with him a faithful and (as far as practicable.) official exhibit of the titles of such as desire to borrow He will also effect insurances in the East, if desired. and transact generally and business of like character, or such as cannot spare time to go themselves.
