EXTENSIVE AND VALUABLE
Water Power and Factory Sites at Private Sale.

I OFFER at private sale the property called "Spring Hill," on the south side of James River, a short distance above the Railroad Bridge, in full view of the city, and about twenty minutes' walk from the centre of business, containing about 120 acres of Land and Islands, in the river, with factory buildings and dwelling houses for the manager and all the hands that would be necessary to work the factory and farm. The dam and head-gates are nearly new, and very substantially built. A very large amount of money has been expended in stone-walling and other improvements necessary for varied and extensive manufacturing operations, for which this property is well calculated, from its contiguity to the railroad, and having a large flow of pure spring water, at various elevations of fifteen to forty or fifty feet, which could be advantageously used for bleaching and chemical and other works necessary to the trade of the city, with granite and good brick clay convenient for the erection of any buildings required.

I have obtained a charter from the Legislature of Virginia, for a term of thirty years to form a company of any kind of manufactures that may be desired, under the title of the "Spring Hill Manufacturing Company." I would prefer to sell the above property to a company, under the Charter, at a very low price, taking one half or one third of the amount in the stock of the company, thereby participating in its increasing value.

The situation and buildings, are well suited for a Woolen Factory, having the indispensable requisites of an abundant supply of pure spring water, freedom from dust, and ample space for all the operations necessary in the manufacture of Flannels, Tweeds, fancy Cassimeres and other Woolen goods, (for which our farmers can furnish an abundant supply of wool.)—The buildings, dam, head-gates, &c., being up, the company would require little capital to do a profitable business, having the advantage of the latest improvements in machinery, and could go into operation immediately. They would have the advantage of a large quantity of water and factory sites for sale to those who may with to put up other manufacturing establishments. A plan of the property will be shown by Messrs. Brown & Tucker, and further explanations given by them.

REMOVED

TO No. 124 WOOD STREET, ABOVE FIFTH

HATHAWAY'S
Patent Hot Air Cooking Stoves.

THE subscriber having entered into the stove business in Pittsburgh, respectfully informs the public that he intends carrying it on in its various branches at the warehouse No. 124 WOOD STREET, above Fifth street, where he will be prepared to supply purchasers with any articles in his line. In addition to other Stoves which he will have on hand, he has obtained the right to manufacture and sell Hathaway's Patent Hot Air Cooking Stoves. This stove is pronounced superior to any other now in use in the United States; it is more durable in its construction, and better adapted to the use of baking, roasting and cooking, as it is heated very regularly by confining the air in the stove; and it is a great saving of fuel as well as labor. I will keep on hand a sufficient number to supply all demands if possible; I have five different sizes, and will sell them on reasonable terms, according to sizes. I have now in use upwards of fifty in and about this city; all put in use within six months. Being aware that the People of Western Pennsylvania have been imposed upon by the introduction of new and highly recommended Stoves which were badly constructed, and having soon failed and become useless, I will grant to persons wishing to procure the Hot Air Stove, the privilege of using it a sufficient length of time to prove its superior quality before I ask them to purchase. Persons notifying me from a distance by letter, can have stoves put up at any time, as I have wagons to carry them out; I therefore invite Farmers and all persons to come and judge for themselves; also to try them and prove that it is to your advantage to have one. All orders will be promptly attended to by the subscriber.

ROBERT DONAVAN.

RECOMMENDATIONS.

Miller's Mansion House, Sept, 19, 1844.

Mr. R. DONAVON—Sir:—I have in use one of Hathaway's Hot Air Cooking Stoves, which I got from you last Spring. It affords me much pleasure to recommend it for its excellence. So far as my knowledge extends, I have no hesitation in saying it is the best stove now in use. I need not particularize its merits, but would advise all disposed to possess an article of the kind, to adopt the best method of satisfying themselves, that is, to try it; and I doubt not they will be satisfied.

D. R. MILLER.

Washington Temperance House,
Pittsburgh, Sept. 19, 1844.

Mr. R. DONAVON—Sir:—I have had in use for five months, one of Hathaway's Hot Air Cooking Stoves, and I have no hesitation in saying it is the best stove now in use. The various kinds of cooking it is calculated to do at the same time, and the small quantity of fuel required, makes it an object worthy the attention of all who desire a good stove.

THOMAS VARNER.

☞ I embrace this opportunity to recommend the Hot Air Cooking Stoves; I have used the one you put up for me constantly all summer, and I must say it is a grand article. I believe it is superior to any other stove now in use in this city. The oven bakes well, and is large enough to bake four large loaves of bread at one time; it also cooks very speedily, and it requires very little coal, I think them worthy the attention of all who wish a good stove; to such I would say, try them and prove what they are.

Lo! what makes your teeth so unusually whith?
Quoth Josh's dulcinia to him t'other night,
To make yourn look so, with a grin, replied Josh,
I've bought you a bottle of Thorn's Tooth Wash,
'Tis the best now in use, so the gentlefolks say,
And since they have tried this, cast all others away.
But to prove it the best to make the teeth shine,
Look again, my dear Sal, at the lustre of mine.
Then try this great tooth wash,
The Teuberry tooth wash,
And see if this tooth wash of Thorn's is not fine.

Having tried Dr. "Thorn's Tea Berry Tooth Wash," and become acquainted with the ingredients of its composition, I cheerfully say, I consider it one of the safest, as it is one of the most pleasant tooth washes now in use. DAVID HUNT, Dentist.

Pittsburgh, Sept. 15, 1842.

I take pleasure in stating, having made use of "Thorn's Tea Berry Tooth Wash," that it is one of the best dentrifices in use. Being in a liquid form, it combines neatness with convenience. While it cleanses the enamel and removes the tartar from the teeth, its perfume yields a fragrance peculiarly desirable.

J. P. TIBBETTS, M. D.

The undersigned have used "Thorn's Compound Tea Berry Tooth Wash," and have found it to be an extremely pleasant dentrifice, exercising a most salutary influence over the Teeth and Gums; preserving those indispensable members from premature decay, preventing the accumulation of Tartar, and purifying the Breath. Having thoroughly tested its virtues, we take pleasure in recommending it to the public, believing it to be the best article of the kind now in use.
