THOMAS VARNER. Lembrace this opportunity to recommend the lot Air Cooking Stoves; I have used the one you put up for me constantly all summer, and I must say it is a grand article. I believe it is superior to any other stove now in use in this city. The oven bakes well, and is large enough to bake four large loaves of broad and is large enough to bake four large loaves of broad to execute Trusts and manage Estates, either from inat one time; it also cooks very speedily, and it requires very little coal.
