On entering the buildings, of which there are about half-a-dozen, he was struck delicate vowels. Subtending the angles of some three with a beauty and to be very enlendid naintings, but the total constants into which there are about that about in a transmission delicate vowels. Subtending the angles of some three which proved to be pieces of tapestry wrought in the eneuse.

which proved to be pieces of tapestry wrought in the manufactory. Paintings, both old and new, are copi-ed with the greatest exactness, the greatest animation being given to the features of the figures and fruit of all kinds being represented with the utmost perfection. One which particularly struck his attention was a porall kinds being represented with the utmost perfection. One which particularly struck his attention was a por-celuin dish of various fruits upon the corner of a tu-ble of varigated marble. By its side lay a handker-chief with a lace border. So finely was the worsted wrought, that the fingers on the dish, the stains in the maible, and even the delicate "work" and each thread of the lace were distinctly visible. The workman stands at the back of the canvass, this position being of the lace were distinctly visible. The workman stands at the back of the canvass, this position being necessary because all the cuttings. &c., are executed on that side. He states that a period of from two to six years is requisite for the completion of each piece, and the cost of the amounts to thirty-five hundred dol-lars. But even at this rate the workmen are very mengerly paid; the best of them receiving but three hundred dollars per year. The establishment employs bout 130 persons and none of their productions are the Feejees were blasted—not in the failure of his about 130 persons and none of their productions die, the reejees were diasted-not in the lamits of the sold, all being either used in the royal palace, or dis. plans, but in the terminution of his life. He died in plans, but in the terminution of his life. He died in tributed as presents by the king. The manufacture lerives its name from John Gobelin, who commenced a few months afterwards, "leaving a large circle of wives and children to deplore their irreparable loss."it in 1450.

Philad. U.S. Gazelle. HOUSEHOLD AND CIVIL-LIST OF THE SUI TAN. It is difficult to obtain a correct account of the number of person, of both sexes, composing the imperial

household, or of the attendant expenses. There is no civil list, strictly speaking; but a sum of 30,000,000 of Adelaide, the Queen Dowager, pinstres ($\pounds 273.000$) is nominally deducted from the Albert, Prince public revenues for the Sultan's service. He is, more. over, possessor of immense domains, and has at his Cumberland, Duke of disposal the produce of many wakoots. These united Gloucester, Dutchess of Cloucester, Princess Sophia, of sums are scarcely equal, it is said, to the innumerable claims upon his purse. According to the assurance of Kent, Dutchess of persons connected with his bighness' treasury, the to-tal of individuals fed, pa'd and clothed at the imperial [A considerable portion of the expense amounts to more than fourteen hundred, ex- Sophia, Princess clusive of kavass, body-guard, and watermen, who re- Sussex, Dake of
