

THEATRE.—There was a splendid house at the Theatre on Saturday evening, and the performance was received with much applause. A very entertaining bill is presented for this evening, which will, we have no doubt, draw a large audience.

THE St. Louis Reporter of the 8th, on the authority of the Missouri Herald, says:—"The Government has been unable to procure from the bank and branches, the whole of the sum authorized to be raised for that institution. Ten thousand dollars of interest on the State bonds fall due in a few weeks, and there is not money enough to pay it, either on hand or likely to be received in season."

HANGING OF JAMES EAGER. Strange that the trial, and they who came to try, should be so well attended as the man to die. While he himself was EAGER.

FIRE FIRE!—The members of the Duquesne Fire Company, are hereby notified to attend at the office of the Fire Insurance Company, on Monday evening, the 19th inst., at 7 o'clock, at the Eagle Hall, Fourth street. Personal attendance is required, as business of importance will be laid before the company.

Notice to Claimants. Office of the Fire Insurance Company, May 18, 1845.

On motion, it was resolved, That a dividend of ten cents, on all subscribed claims for loss, upon the Fire Insurance Company, be hereby declared payable 21st. May inst. By order, Secy.

M., and Beaver at 8 o'clock, A. M. daily, (Sundays excepted.) It will appear manifest upon examination, that the Erie's time course has been and now continues in full conformity with the time of the Lake Erie, and that the proprietors of the whole business, determined to drive from the trade the Steamboat Lake Erie, and to monopolize the whole business, they were not choice of hours and plainly say they will drive the Erie from the river—a generous public will decide.
