## The Daily Morning Post.

THOS. PHILLIPS & WM. H. SMITH, EDITORS. PITTSBURGH, FRIDAY, MAY 23, 1845.

Bureau of Navy Yards and Docks, inviting proposals for speed. of the delivery of Coul at certain points. In publish. I have been told, by a gentleman long resident in ing this notice we think it was an oversight on the part of the bureau in not bringing it under the eyes of our Fitzburgh Coal Merchants, as we are certain that many of them would have put in proposals are invited to Clay alley. The subtraction of positive for the bureau in not bringing it under the eyes of our Fitzburgh Coal Merchants, as we are certain that many of them would have put in proposals are invited to Clay alley. The subtraction of the bureau in not bringing it under the eyes of our Fitzburgh Coal Merchants, as we are certain that many of them would have put in proposals are invited to Clay alley. The subtraction of the same width to Clay alley Subtractive and the prices would certainly be musch lower. For lastraces, we observe that proposals are invited to deliver 100 roms of authractic coal at Pensacola. When the coal the proposals are invited to of pussage, &c. between Pittsburgh and Claimant, the merchants could take coal to Pensacola with almost the price and take on the coarse of the points designed. The fucilities of the burden of anthracite in the country, and when we take into conties of Flour, Whiskey, Corn, and other products are sideration the low prices at which it could be furnish- sent down in flat-bonts. I have counted 8 or 10 in does not endeavor to procure it at practicable points, trade diminishing.
