The arrival of the Great Western was looked for with some anxiety. She left New York on the 24th, after the receipt of Sir Robert Peel's Oregon speech.

The Queen has been pleased to approve of John Arthur, as Consul at Turk's Island for the United States of America. A large number of persons from the Highlands of Scotland purpose emigrating to Canada.

PARLIAMENTARY.—The last fortnight has been almost exclusively occupied with the question of Maynooth-the great question of the day. All doubt about its Parliamentary success was set at rest, by the unexpectedly large majority which passed the sec-ond reading—147; and, although its zealous opnents have since shown fight in the House of Commons, by another debate, and another division on the bringing up of the report, yet the last was a battle
