COOPER. nations; the exact dividend cannot be ascertained until it is known what amount of the return is of that

workshops and manufactories, or the purchase of a supply of merchandise, they would speedily be enabled to provide a comfortable supply of merchandise, they would speedily be enabled to provide a comfortable supply of merchandise, they would speedily be enabled to provide a comfortable supply of merchandise, they would speedily be enabled to provide a comfortable supply of merchandise, they would speedily be enabled to provide a comfortable supply of merchandise, they would speedily be enabled to provide a comfortable support for their families, and employment for their workmen and apprentices.

The Committee are fully convinced that by making store of Mr. H. Fletcher, of Louisville, Ky., of jewelry at the salt of the sold of the said John D. Davis, at the suit of Reuben Miller, Jr., and to be sold by would most effectually subserve the generous intensity. And every thing that can be done will be done with the right owners, and if any reward is given, divided. And every thing that can be done will be done the my31-w3t.

**WEXICO AND THE RECOGNITION OF TEXAS INDEPENDENCE.—We have had rumors of the proposed to provide a comfortable support for their families, and employment for their families, or found property at our late fires, &c., will be recorded or taken care of and kept for and restored to independence of Texas—rumors indeed amounting almost to certainty, but the following letter to the would most effectually subserve the generous intensity. And every thing that can be done will be done with the right owners, and if any reward is given, divided. And every thing that can be done will be done with the right owners, and if any reward is given, divided. And every thing that can be done will be done with the right owners, and if any reward is given, divided. And every thing that can be done will be done with the right owners, and if any reward is given, divided. And every thing that can be done will be done with the mysle of the Record. The Committee are fully convinced that by any the resolution of the relie interests of the Community, and are therefore desirous of adopting this course, as far as may be computible with the claims of other classes of sufferers; but they

poculiar hardship, which they believe will imperatively call for a larger measure of relief than a rigid adherence to the rules laid down will afford them, and to such persons they propose extending the allotment, in no case however to exceed an advance of 50 per cent on the sum to which they would otherwise be STAGE-MANAGER,

Such are the principles, which, after mature deliber ation, the Committee have thought it their duty to submit to your honorable bodies, as best adapted to guide them in the discharge of the very difficult and delicate duty entrusted to them, and for which they respectfully request your approbation.

They cannot flatter themselves with the hope that all the claimants will be satisfied with the amount allotted

low-citizens, will examine the proposed plan with candor and indulgence; and even should it appear on a cursory examination, that the rule adopted should in in some particular instances operate unequally upon the sufferers, that they will award to the Committee least the merit of industry and impartiality. It will be seen that in the preceding statements, the committee have taken no account of the munificent COMIC SONG, aire fully to appreciate the benevolent motives of those members of both houses of the Legislature, who sand tioned this appropriation, notwithstanding the strict system of economy the necessities of the State had ed them to adopt in other respects, they feel them selves constrained to declare that they believe that

the best interests of the city and its inhabitants im eratively demand that the councils should, in the most respectful manner, decline accepting the splendid con men the views of their fellow citizens in this respect, large majority of all parties, and of every station in ciety, coincide with their own; believing that when this measure was adopted, neither the Legislature nor our own citizens had sny idea of the extent to which the kind bounty of our fellow citizens, in almost every ing a sympathising generosity, as much above our praise, as beyond our most sanguine expectations. They are also firmly convinced that the acceptance

overcome the difficulties in which they have been damaged Nails, &c. whelming, which have characterised the great and If, however, the conclusion of the committee on thi point should be overruled by your honorable body, and the donation from the State accepted, they would then recommend that the same should be loaned to such o the sufferers as have applied for loans, on good securit in sums not exceeding \$1000 each, payable in 5 years with 3 per cent annual interest, and that the engage ments received for the same be respectfully tendered to the Legislature of the State at its next meeting, a evidence that the citizens of Pittsburgh have no desi to avail themselves of the sympathy excited by the

Distressing Accident! The following letter from the Baltimore Sun of Thursday, relates a terrible calamity which occurred at the Camden Race Course, the day previous. PHILADELPHIA, May 28, 31 e clock

Gentlemen:-I have only time to say, that the race between Fashion and Peytons did not come off as expected. The grand stand on the course full and crushed some 70 or 80 persons. The extent of injury not yet ascertained; they are now dragging the bedies from underneath the boards, &c.

The passengers variously report the number killed at from eighty to two hundred, amongst whom were a number of ladies. The news had just seached Philadelphia as the boat started, consequently our currespondent was unable to furnish us with the partleu-

The staging is said to have been in three stories, and contained not less than one thousand persons. The excitement in Philadelphia was great, as so large a number of persons were on the ground from that city. LATER STILL FROM MEXICO.

The Box Office will be open from 10 A. M. arrived at New Orleans on the 20th inst., from The Mexican schooner Relumpages, Cast Taldwoode 1-and from 2 P. M to 5-at which time places Vera Cruz, which place she left on the 19th isribution. So far as the committee have been able to and seats can be secured for any number of Persons. stant. She is said to have been chartered by the A strong and efficient Police have been engadesputches to her Consul at New Orleans .-The Picayune says that a Mr Frederick Johnson A T 10 o'clock on Monday morning the 2d June, came passenger in the Relampages, and is thought to be the bearer of despatches from the British Minpart of the Union, would have been carried, manifest- Fifth streets, will be sold an extensive assortment of ister in Mexico either to the United States Government or the English Minister at Washington .-At two o'clock P M, a large quantinty of New and Owing to these facts, and a certain mystery in the and distribution of this fund would place the city in a Second Hand Household Furniture, Kitchen Utensils, movements of this ressel, her bringing over but a single package of papers and no letters for the post those who were rich before the fire, or even those who bread, whiskey, &c. At least, there appears to be were reasonably well off, but to relieve the distresses an unlimited number of shops devoted to this trade.

The final result will not precisely agree with this specifully declining it in the same spirit in which the Va. manufactured Tobacco; 6 do 2nd do Western do office, a rumor obtained general currency in this city. of those who were stripped of their all. If regard The shipping business is rather extensive for a west-
