Che Daily Morning Past.

PITTSBURGH, PA.

MONDAY MORNING. JUNE 2, 1845.

PITTEBURGH TRUST AND SAVINGS COMPANY .-We publish the act incorporating this company, in this paper. The books for the subscription of stock will be opened to-day, and persons who have any notion of subscribing, may examine the nature of the law under which the institution will go into operation. Of all banking concerns, a Savings Bank is certainly the least objectionable, especially, when it is not authorized to issue notes. We may, in a day or two, give a synopels of the arguments in favor of the proposed institution, as furnished to us by some of its friends.

TIN WARE .- Persons wishing to precure a superior article of Tinware, we would refer to the establishment of Mr Dorrylinger, which is advertised in our paper. Mr D's articles are all manufactured in a superior manner, and his prices are as low as the lowest in the city.

NEWS FROM VIRGIRIA .- The New Bedford Mercury, a whig print, has heard the result of the election in Virginia and make the following joyful aunounce ment to its readers:

The whige have carried all the members of Congrees except forteen, and lack only fifty or sixty of a joint belief of the legislature. Well done, gallant whigs of Virginia! Hurrale—h—ah—an!"

We believe the above intelligence has not been re coived yet by either of the whig journals in this city. THE PRESIDENT AND HIS FAMILY .- During the visit of President Polk and his family to Old Comfort, which is to take place during the ensuing month, the Norfolk Herald says: "he will take up his abode at Fort Monroe, where he will be accessible to all who may desire to see him. His predecessors chose their abode on the Rip Raps, which was in a very bad taste (showing an unsociable disposition) as well as exceeds ingly inconvenient to their visiters."

Office of the Allegheny Co. Mutual Ins. Co. MAY 29, 1845. MALE meeting of the Board of Directors of this Institution it was Resolved that a payment of 10 per cent. on all adjusted claims, be made on and after the 10th June next. Extract from the Minute J B ROBINSON, Sec'y.

The Columbia Insurance Company of Philadelphia,

TAKES Fire, Marine and Inland Transportation risks, at the usual rates of other Offices in this city; but these who are or become Stockholders, may Fur sents, or entire coaches for families or parties, neuro Fire Risks on the mutual system, which is to apply at the office, two doors from the Exchange; and pay half the premium in cash, and in lieu of the other half to give an obligation for five times the amount FERGUS MOORHEAD, paid in cash, liable to rateable contribution during the term of the policy, in case it should be required. Stockholders have thus a chance to save one-half of the premium, and are besides entitled to a full share of dividend. Charter perpetual.

The mutual risk lessens in proportion to the amount of insurances. If ten men insure any given sum, each one incurs a risk of 10 per cent.; but 500 men would only incur the risk of one fifth of one per cent. The Company has been in operation since 1840. Capital subscribed, \$100,000, on which 20 per cent. have been paid in, which amount, with about 20 per cent. more, is safely invested in mortgages and other

There is a considerable amount of bonds on hands to be resorted to in case of losses, before any capital subscribed can be used. This is the great security, and this principle of mutual insurances has given great Marine and Inland Transportation Risks taken

on usual terms, as by other offices, and 10 per cent. of the premium returned if the risk end without loss. C N. BUCK, President. DIRECTORS.
