## Thirteen days later from Europe. ARRIVAL OF THE

## SHIP STEAM GREAT WESTERN

The Steam-ship Great Western, Capt MATHEWS. arrived at New York, on Sunday morning last. She mids the photoge in a link less than 15 days. brings intelligence to the 17th of May from London, and the same from Liverpool. The news has no feature of striking interest. Cot-

ton has undergone no material change of price, since ding advices, though the sales have been our last preci large. Business was good in the manufacturing districts, and Great Baitain generally prosperous. Iron had fallen off from the high prices of April, and the market was dull and dubious.

The British Goverment have selected Bantry, nea Cord, as an American Steam Packet station. The probability of a war with the United States, or uples the public mind on the other side of the At lantic, to the exclusion of every other topic. The sr-rivals from the Western World are looked to with ab-
