the instructions of the donors as to the manner in Stables of the American House, the flames immediate-which the money they contributed was to be allotted, ly extended to the Hotel, and from thence, spreading should command some attention, and we hope the in- | ber of horses in the Stables, six of which were busned junctions will not be forgotten or disregarded by the j to death! The principal sufferers by the culamity are: Mr. Catherwood of the American House; NEW YORK May 1st. 1845.

Dr. Holliday, Drug Store; DEAR SIR:-The subscribers have been appointed J. B. Congle, Saddlerv: Fry & Jackson Book and Job Printers; citizens of New York in the recent calamity which has J. S. & A. Casad. Hatters; failen upon their sister city of Pittsburgh. J. Grinnold Boos and Shoe Manufacturer

It has also been made their agreeable duty to transwould rather shout with the largest crowd. Mr H. M. BRACKENRIDGE was once a supporter the relief of your citizens, which amount you will re- \$20,000. Insurance \$2.000, on the furniture of the ceive, enclosed in a certificate of deposite in the bank American House.-Lafayette [1s.] Standard, Ext.

SALICENE.-- A writer in the Washington Union says, it is understood to be the design of the medical denartment of the army, to have this medicine tried on and its elements—are all weighed with General, out in the one, and press of real estate, and catherry indicates a large scale, at one of the one and the states of the sta a large scale, at one or two of the most unhealthy miliadverse hand. But whatever diversity of opinion may exist amongst Englishmen as to the abstract merits of Rebublicanism, a war with America—the bare con-templation of such a possibility—is abborrent to the national mind. A war party, properly so called, as re-gard the United States, dors not exist. There is noth-ing to mark its influence. The mooted point—the Orform of a clear white powder. It possesses many of to the properties of quinnie, and cases of extremedebility

preferred to it by many judicious physcians. ANOTHER SLAVE STEALER CAUGHT .- At Memphis

Tenn., a stage driver, named M'Coy, was arrested laboring men and their families, thrownsuddenly (but termin, a single triver, name and roof, was arrested termine and profits an interest not exceeding sin termine with two negro slaves in a buggy, who he was carrying dy for delivery. All those having unfinished business per cent. per annum on the Capital Stock actually paid homes for the houseless, and food and raiment for the off to Ohio.

Mechanical Taste .- We are often surprised that chanics do not pay more attention to the art of design. Indeed, knowledge of every kind is valuable to them. Sir Richard Arkwright was, we believe, a bar-

ber, but having turned his attention to machinery, and getting hold of a bint, invented the spinning jenny, and amassed a fortune. Wedgewoul's pottery came first designs of his vases, cups, &c. A poor German me- ches. a cheap process of map coloring, which a little chemical knowledge suggested to him. We know a man Court House.

GREENE COUNTY. - The Democrate of Greene who has improved the ordinary machine for plaiting whip lashes and applied it to the making of stay-laces, to the justice of the claim; all that we aim at is, to ac-

AGE BY FIRE. THE MUTUAL PRINCIPLE COMBINED

With the additional security of a STOCK CAPITAL. The Reliance Mutual Insurance Co.

of Phila .-- Charter Perpetual. DIRECTORS : George W. Toland, John M. Atwood, Lewis B. Ashharst, Thomas C. Rockhill, Wm. R. Thompson, George M. Stroud, George N. Beker, John J. Vanderkemp,

George W. Carpetter.

Will make insurance against Loss or Damage by Fire, in Pittsbargh and vicinity, nn Houses, Stores and other buildings, and on Furniture, Goods. Wares and Merchandize, limited or perpetual, is town r country, on the most favorable term . The Mutual Principle, combined with a Stock Capi-

tal, and the other provisions of the Charter of this Company, hold out unusual inducements, both of profit and safety, to those desirous of effecting insurance, to which the Company ask the attention and examination of those interested.

The Capital Stock of the Company is invested in good and sufficient securities. After providing for the losses accruing to the Company, in the course of its business, the stockholders are entitled to receive out of its income and profits an interest not exceeding six in-the amount of which interest, it is expected, will be supplied by funds invested-and thereafter, all the remaining profits are to accumulate and be held, in like manner with the Capital Stock, for the better security of the assured. But certificates bearing inter-est, payable annually, transferable on the books of the ompany, and convertible at any time into Capital Stock, will be issued therefor to the Stockholders and insured members, in proportion to the amount of Stock held, or promium paid by them respectively, agreenbly to the provisions of the Charter.

Those effecting insurance with this company have, besides the usual protection against loss, by the ordi-nary method of insurance, be additional advantage of a direct participation in the profits of the Company. without any liability. GEO. W. TOLAND, President.

B. M. HINCHMAN, Secretary.
