measure which requires all the skill and energy of one whose efforts and intelligence can keep up with the rail road pace of the present day. H. M. Bracken-ridge's experience belongs to a bygone generation, and will be as much at fault in devising measures to suit the present times, as were Bip Van Winkle's recol-bections suited to the people among whom he found himself when he awoke from his long nap in Sleepy

Hollow. His experience will be rather an injury to letter, denying the statement of the N. O. Picayune, A gentleman from Havana, now in New Orleans, says tion, what is recognised as well-established law, "that the project than otherwise, and then the malignity of that he attended the race between Fashion and Peytona. that numerous commissions from Mexico have already it the project than otherwise, and then the malignity of his political course cannot but create a feeling of aver-sion in the breast of every democrat. that he atten.led the race between Fashion and Peytona. that numerous commissions from Mexico have already been issued to persons in Havana, to take effect im-free, and no subsequent act of his can legally make them slaves again." As to the fourth point, he deci-ded that if Indiana had remained a territory, under Stray Cow. Stray Cow.

obscurity by Gen Jackson, has long been the maligner of his early benefactor, and that he has assailed him in every form of columny that malicecould invent. He a-bandomed thebroad course of political opposition which an honorable opponent would pursue and assailed on an honorable opponent would pursue and assa

Martin Deerflinger, TIN AND COPPER SMITH,

RESPECTFULLY informs the public that he has commenced the above business in all its branches, at No. 139 Wood street, directly opposite the First Presbyterian Church, where he is prepared to attend to orders in his line in a manner not excelled by any similar establishment in the city, and at the very low

He could inform builders and others that he is prepared to fulfil all orders for spouling in a superior manner and at the shortest notice.

Always on hand, a large and varied stock of Tin. Copper, and Sheet Iron Ware, which is warranted to be made in the most substantial ayle, and will be my23-daw 3m

JOHN JULIUS, grateful for the encouragement he THE only Glass Stainer west of the mountains. A specimen of this glass is to be seen on the steam

To the Travelling Public.

THE FRANKLIN HOUSE, foot of Irwin street, kept by Mr. D. B. Dinnond, is a most eligible establishment, for the sojourner for a few days, or those who wish a longer residence in the city. His fare and necommodations are excellent, and bills very ma-sonable: for we who know from experience, heartily recommend his hotel, as worthy of public patronage. N. B. Boarders are accommodated by the day, week, month, or year. 11. 11. Webb, Rockville; Jnn. Hamilton, of Ohio;

Hugh Kirkland; Wm Counely, Franklin; Benjamin Niblock, Butler; John Reilly, N. Y.

A CARD.

GEORGE BEALE, respectfully informs his friends G and customers, that he has egoin opened his BRUSH STORE, nt (Mr Wm D Smith's Music are, on hand Store,) No. 23 Food as a G REINHART, their brend participe, subscred with the 140 Liberty street. | ap 16-if

Cincinnati, and was placed in an omnibus, to be taken OF The New York Tribune warmly seconds the efto the Hotel for Invalids, in Allegheny City, and died forts to banish the old Spanish shillings and sixpences and was stationed at one of the forts of the Bouldwest, dimes. When his disease became alarming, he left his post for his home in Westmoreland—but he did net realize the Journal save that the Parker mine, in Stanly county, is equally incompatible with the monarchical principle home in the did and a pitchfork in the other.
