THOS PHILLIPS & WM. H. SMITH, EDITORS. PITTSBURGH, THURSDAY, JUNE 12, 1845. formed.

it seems to us, is not possessed by any other in the that line to be continued to the head waters of the Or- employment, they push to the fertile west, where, with My Dear Sir: I hasten to advise you of our sucsurpassing talents of the writers who contribute to its common to both nations.

Oregon Question, and it contains, in a brief space, sing the first article in the Review, that we must pass populous parts of the country. Britain, should be conversant with the facts therein buy the Review for June.

side, in the same latitudes—but of the soil, different for the Legislature: accounts have been given.

The writer proceeds to discuss the respective claims of England and the U.S. to Oregon, and lays down the rules of public law, by which the question of right, in this case will be judged. They are these:

a reasonable time depends upon the nature of the tleman, who was standing outside the bar, considercountry, the uses to which it may be applied, and the wants of mankind in respect to it.

If, for example, it ed a misrepresentation and contradicted the speaker man of frugal habits and ordinary industry. were a tich West India island, the first discoverer on the spot. Stray Cow. STRAYED from the subscriber, on the 13th of May, a small Brindle Cow, suposed to be nine years old, she has a white spot in her forehead, she had a leather belt around her neck, and the name of the subscriber engraved on a brass plate on it. She was seen on the road between Greensburgh and Murraysville, and it is supposed she is still in that neighborhood. Any person leaving such information with the subscriber, or at the office of the Morning Post, as will enable him to recover said stray, will liberally rewarded.
