WALL'S SKETCHES OF THE GREAT FIRE .- Mr W C. Wall, an artist of much merit, and a resident of our city, has prepared three views of the city of Pittsburgh-one was taken before the fire, and is faithful sketch of the city before it was visited by the awful configration of the 10th of April. The others were taken after the disaster, the first on Boyd's Hill, the second from Birmingham. And these sketches are admirably accurate, and reflect the greatest credit on the skill of the artist. Every one who wishes to preserve a memento of this great catastrophe, should purchase lithographs of these sketches, which are now published and for sale in this city. In so doing, they will aid a clever artist, and a deserving citizen, and obtain pictures that will be full of interest in future years, when the fearful perils and terrible extent of the Great Fire are the theme of conversation.

GOOD INTENT FAST MAIL LINE .- In the heading of our notice of this popular line of Stages, yesterday, we omitted the word MALL. The Good Intent Fust Mail Line is the proper designation of the concern we were noticing,-JOHN SHODGRASS, Esq, is the Proprietor.
