Vault Boors! Vault Doors!! CONSTABLE, BURKE& CO., (Front et. between Wood and Smithfield.) AVING again got their shop re-built, and are preparing to make Vault Doors at short notice and of a superior workmanship. We would take the erty to state that the Vaults of our manufacture that were in the late fire saved their contents in perfect

Further, we are prepared to put on YALE'S PATERT Locks, which are equal to anything in America, if not superior, for the following reasons: They cannot be picked; they cannot be blown up with gun-powder; there cannot be fulse keys made to open the lock; they are cheaper; they are much more durable; their keys are more convenient; they will not go out of order; in thort, they cannot be opened by any burglar under the st favorable circumstances. We would further ate, that we are authorised to pay any one \$100 who will open the lock without the key.
