faction in our ranks than the recently published fetters named Robert B. Bremer, was killed in an affray with of these two gentlemen, the harmony of the party named Robert B. Bremer, was killed in an affray with which operate with us, and here permit us to say once will endure forever.

maintains the pure democratic principles that placed

is split up into factions and the great leaders of whiggery assailed with the most reckless bitterness by the
leading journals of their party. Even in this county,
they are like a flock of sheep that have lost their bellthey are like a flock of sheep that have lost their bellcounty, and yet, on account of quarrels among themof the party that has the shrewd Deacon White for

It is difficult to i nagine why the Deacon should write an article about party "troubles" and thus call to mind the dissension among the whige, if it were not from spite at the leaders for the efforts they are making to shake him off and bestow their favors upon B gentleman who did not require so many reasons as the Deacon asked to become a whig. We understand, that in a few days, a new whig journal will make its appearance under the auspices of an editor who has the confidence of the party, and who has never sold his political principles to the highest bidder. I is evident that our friend, the Deacon, dreads the appearance of this new paper, and he already gives some broad hints that if the party dare to repudiate him-"when rogues fall out, honest men get their due."-This remark foreshadows a quarrel that he expects to

was initiated into the "mysteries of iniquity." when these "rogues fall out," and in the meantime, ture. And I must fully admit, that if what has been we would advise the Deacon to attend to his own litwe would advise the Deacon to attend to his own littue in the use which I have made of it. I deserve, at the "troubles" and not cudgel his brain to get up their hands, a punishment as severe as the laws of my tancinut divisions among demonstrate house combating a charge so vague as any that has ever yet of Lord John Russell, at whose instance the was dehold to overcome the "troubles" that are gathering.
