Patent Parautoptic Permutation Bank

To Prevent Rebbery. THE subscriber has accepted the agency, for the Shove celebrated and well known Lock, which is WARRANTED to defy the most consummate skill of the ourglar, or even the inventor himself. This assurance may be deemed extravagant; but a critical examination will satisfy any one having even a limited knowledge of mechanism that it is well-founded—and the actual spection of the Lock for a few minutes will remove every doubt that may arise in any mind. He has numerouss certificates, from Bank officers, Brokers and (several in this city) who have used the above Lock, which he will be happy to exhibit, and
