THE RAIL ROAD .- The Bradford Reporter of the 2d inst. has a very able article in reference to the proposed extension of the Bultimore Rail Road to this city, in which the writer refers in language of just condemnation to the short sighted and illiberal course of the representatives from Philadelphia on this subject, which is of such vast importance not only to our city but to the state at large.

We are gratified to see the democratic papers taking such enlarged and liberal views of the question, as it indicates that our party regard it in a proper light, and that at a proper time they will give it a hearty support. We would desire to have others of our democratic cotemporaries speak out on this subject, particularly those in the western part of the state as it He mentions, under date of July 3, 1819, the arrival fit of the bankrupt act.
