IMPORTANT TO BANKERS! NEWELL'S Patent Parautoptic Permutation Bank Lock, To Provent Robbery.

THE aubscriber has accepted the agency, for the above celebrated and well known Lock, which is warkanted to defy the most consummate skill of the bergiar, or even the inventor himself. This assurance. may be deemed extravagant; but a critical examination of the principles on which this Lock is constructed, will satisfy any one having even a limited knowledge of mechanism that it is well-founded—and the actual inspection of the Lock for a few minutes will remove every doubt that may arise in any mind.

He has numerous certificates, from Bank officers, A THREE story brick buildings, with back buildings, on the corner of Grant and sixth standure of the subscribers, or at this office.
