LIGHT IS COME! day of October next, to answer the Petition or libel of New Sporm, Lard and Pine Oil Lamp Store. THE subscribers having opened a store, No. 8, St Clair street, (west side) for the sale of Lamps Oils, &c., respectfully invite the attention of the inhabitants of Pittsburgh, Alleghery and the surrounding country generally, to their stock of Lamps, before In the Court of Common Pleas for Allegheny purchasing elsewhere. Our arrangements with the manufacture are such that we can safely say, we are repared to light in the most brilliant and economical manner. Steamboats, Hotels, Public Halls, Churches, Stores. Shops, Parlors, Bridges and

> econemy is desired. Among our means for letting our "light shine," may be found the following Lamps for burning Lard, Lard Oil and Sperm Oil, viz: Hanging Lamps and Chandeliers, (2 to 4 branch) for lighting Stores, Public Halls, Churches, Hotels Stand and Centre Table Lamps, (various patter

nd prices,) for Parlors.

Reading and Work Lumps. Side and Wall Lamps, Glass and Tin Hand Lamps The above are mostly Dyott's Patent Lamps, with ceived at once by examination. Also, glass Trime for lamps, such as Globes, Chimneys, Wicks, &c. LAST, THOUGH NOT LEAST. Dvott's Patent Pine Oil Lamps, such as Hanging

lamps and Chandeliers, (2 to 6 branch) Stand and Centre Table Lumps, (Glass Fronts with or without drops,) Street lamps for lighting streets and bridges. As we cannot describe the various patterns, we cor dially invite the public to examine them. We affire that in brilliancy, cleanliness and economy, no light Pine Oil. They are as safe to use as sperm or Lard

now in use will bear comparison with these lamps an Oil, Although some are endeavoring to identify this to be another and differen article, and that no accidents have occurred during the extensive use of this article n Philadelphia for four years.

These Lamps will produce as much light, with as nuch neatness and more brilliancy, and 25 per cent. less than any other light now in use, not excepting If any one doubts statements we have, or may here-

after make, we would say, we have commenc business in l'ittsburgh, and knowing the merits of the articles we offer to the public, we are willing to hold ourselves accountable at all times for our statement and are willing to put to test our Lump-dollars and cents,—testing economy—and the publi: decided on the neatness and brilliancy of the light. We have many testimonials from residents of Phila-

delphia and elsewhere, but the following may suffice for the present. This is to certify that I have purchased of M. B. to light the Universalist Church of Philadelphia, and have found them to give perfect satisfaction. The light produced by them is the most brilliant that I have ever seen. They are so economical that the cost of the Lamps has been saved several times over; the lighting up of the Church not costing half as much as it did before we procure them.

Respectfully, JOHN DESSALET,

Respectfully, JUHN DESCRIPTION Secretary of the above named Church. The undersigned having used for two years Dyort's Patent Pine Oil Lamps in his Hotel, the Boliver

House, can recommend them as the most economical and brilliant light that can be produced by any arti cle now in use. Before I commenced lighting my house with the Pine Oil, I was using the Gas; but as that I had the Gus removed and burn the Pine Oil in WM. CARLES. its place. ALLEGHENY CITY, July 12, 1845. This may cectify that we, the undersigned, having used for some months, Dyott's Patent Pine Oil Lamps, can with the fullest confidence recommend them, as producing the most brilliant and economical light we have ever seen. They are simple in their structure. and easily taken care of, and we believe them as safe light as can be produced from any other Lamp, and much cheaper than any other kind of Oil:
