## The Daily Morning Post.

JOHN BIGLER, EDITOR.

PITTSBURGH, THURSDAY, JULY 31, 1845. In ten years, the lines of transportation and travel will hardly suffice, even with the addition of the Rail way from New York to the Allegheny, and a continnous Railway from Philadelphia."

Here we have two aditional projects adroitly thrust before the people. Now, the fact is, Mr Bracken-Road right of way to Pittsburgh. To this he not only her, and Lord —; and the celebrated Vidocq (for would greatly advance his own personal interests.

if possible to create division among our people on the top, as to resemble the pear with which the King if possible to create division among our people on the Ring of the French is commonly caricatured. Videoq's Rail Road question. It has been agreed on all hards of the French is commonly caricatured. Videoq's mountain, which is some 500 feet in beight, is covered other 100 sets at the end of 90 days from the date of habitants of Pittsburgh, Allegheny and the surroundcity. Does Mr Brackenridge agree to second the of of repugnance to him, nevertheless.

It is very unpleasant to differ with political friends, and our neighbor of course, was not expected to quarrel with Mr Brackenridge, a candidate on the whig smell of the spermaceti. The product is at the rate of the spermaceti. The product is at the rate of the spermaceti. They found her quite dead ticket, he was unwilling we presume, to give his letter an of six gallons of oil to nine bushels of seed. In with a large black snake coiled around her neck. unqualified approval, and therefore passed it over these hard times it might be well for the cotton without notice. But, will this satisfy the people of planters to pay a little more attention to raising pump-Pittsburgh, ardently and honestly, devoted as they are kins and gathering the seed. By resorting to little Mr. Editor: -In the "Morning Ariel" of yesterto the Rail Road measure? We cannot believe, that shifts of the kind, perhaps the deficiency in the price day, I notice a communication signed "A Democrat," they will remain silent, as the Gazette has done, and of the great startle, might in some degree be composed in the subject of the extension of the Baltimore and Ohio Rail Road to this city. Although, myself alsee this dearly cherished interest placed in the hands pensated. of a man, who will certainly strangle it, if cleathed with the power to do so.

Mr Magill over the shoulders of his colleagues, certainly they have entirely lost the faculty of barking. manifests in its editor rare and wonderful sagacity, and proves beyond peradventure that he is "up to a thing or

The article in the American of vesterday afterthe Post of to-morrow.

We are assured by a friend that he has taken much pains to ascertain whether such petitions are actually in circulation, and if so, to procure a copy; but he has not been able to find either the petition, or any person that his seen one of them.

vention appointed to devise means, and make arrange- and 1845: ments for the commencement of a monument to Gen. Andrew Jackson, was held on Saturday evening last at the City Hall. Chief Justice Taney was present and in the chair. He made some very touching and element remarks in reference to the accomplishment of the purpose for which they had met, and hoped, he said, that there would be no backwardness or delay in the matter. He hoped there would be no half-way feeling; for, said he, the old general never did any thing by halves, but always accomplished what he un tion, and also some suitable plan for the permanent organization of a committee to have its superintendence until finally completed. Without transacting any other business, the convention adjourned.

LIGHT IS COME! New Sperm, Lard and Pine Oil Lamp Store. THE subscribers having opened a store, No 8, L St Clair street, (west side) for the sale of Lamps ing country generally, to their stock of Lamps, before economy is desired. Among our means for letting on

For lighting Stores, Public Halls, Churches, Hotels Stand and Centre Table Lamps, (various patterns Reading and Work Lamps

LAST, THOUGH NOT LEAST.

Side and Wall Lamps, Glass and Tin Hand Lamps

Dyott's l'atent l'ine Oil Lamps, such as Hanging lamps and Chandeliers, (2 to 6 branch.) Stand and Centre Table Lamps, (Glass Fronts with or without drops,) Street lamps for lighting streets and bridges. As we cannot describe the various patterns, we cor-

dially invite the public to examine them. We affirm now in use will bear comparison with these lamps and Pine Oil. They are as safe to use as sperm or Oil. Although some are endeavoring to identify this article with the old camphine and spirit gas, (by the use of which accidents have occurred.) we assert this to be another and differen article, and that no accidente have occurred during the extensive use of this article in Philadelphia for four years. These Lamps will produce as much light, with as

nuch neatness and more brilliancy, and 25 per cent. less than any other light now in use, not excepting If any one doubts statements we have, or may here-

after make, we would say, we have commenced business in Pittsburgh, and knowing the merits of the articles we offer to the public, we are willing to hold ourselves accountable at all times for our statements, and are willing to put to test our Lamp-dollars and cents,—testing economy—and the public decided on the neatness and brilliancy of the light. We have many testimonials from residents of Phila-14 of the 25th instant, a sum of Money, which was delphia and elsewhere, but the following may suffice

This is to certify that I have purchased of M. B. Dyott a sufficient number of his Patent Pine Oil Lamps to light the Universalist Church of Philadelphia, and have used them in said Church about two years. I have found them to give perfect satisfaction. The e on de-it did before we procure them.

Cashier.

Respectfully.

JOHN DESSALET,

Secretary of the above united Church. Philadelphia, July 8, 1845. The undersigned having used for two years Dyott's Putent Pine Oil Lamps in his Hotel, the Boliver House, can recommend them as the most economical

and brilliant light that can be produced by any arti cle now in use. Before I commenced lies house with the Pine Oil, I was using the Gas; but after a trial of the above Lumps, I was so much pleased with the light, and convinced of their eco that I had the Gas removed and born the Pine Oil in WM. CARLES, its place. Proprietor of Boliver House, No 203 Chesnut st. Philadelphia, July 8, 1845.

ALLEGHENY CITY, July 12, 1845. This may cectify that we, the undersigned, having used for some months, Dyott's Patent Pine Oil Lamps, can with the fullest confidence recommend them, as producing the most brilliant and economical light we have ever seen. They are simple in their structure. nd easily taken care of, and we believe them as safe light as can be produced from any other Lamp, and much cheaper than any other kind of Oil. JOHN HAWORTH, Druggist. MERCER & ROBINSON, Merchants. JAS, COWLING, Clothing Store.

JOHN HOPEWELL, Clothing Store. Any one doubting the genuineness of the foregoing known as lot No 3, in Kirkland's plot, being part of Out-lot No 13.
