JOHN BIGLEW, EDITOR.

meant when we said, "the people are superior to their MYSTERIOUS VAULT IN BARBADOES--There is institutions." "The right to make laws and constitu- a vault in Barbadoes in which no one has courage tions, and the right of self-government," is conceded enough to deposit the dead. In 1607 the first coffin board boiler exploded, forcing itself overboard, forinstitutions." "The right to make laws and constitu- a vault in Barbadoes in which no one has courage to the people by the Gazette. The people of Rhode was placed in it, and since that period, in 1803, 1812, ward; the steam discharging abaft, carrying away the Island, as contra-distinguished from the "Algerines," 1816 and 1819, several others have been placed there. main Cubin and State Rooms as far abuft as the ladies' cabin, and displacing the larboard boiler three or four event, serve to convince us that in this selfish world

It is also well known to the editor of the Gazette, sible way of explaining the mystery. that up to the time of the Dorr excitement, as it has A Curiostrr.—The Columbia Spy says: There is tion, and their form of Government had no more claims to be called "Republican" as required by the Constitution, than that of Great Britain. The "Charter" of Charter 2, was, in its general features at variance from time to time, since early in the spring.

The Charter was the work of a variance from time to time, since early in the spring.

The Captain was blown, he states, above the Pilot which are apples as large as a man's fist end a number of constitution, than that of Great Britain. The "Charter" ber of blossoms! The blossoms have been coming out, from time to time, since early in the spring.

The Captain was blown, he states, above the Pilot rious troops—the exciting scenes of this period are fresh in memory as if occurring but yesterday—the wild excitement, and fault hopes of the little band left in Natchez at that eventful period for the little band left in Natchez at that eventful period are variance and a whitener and a whitene

the Rhode Island controversy—it is well understood dances like a boy. He has a child a year old. by the people, and we will now merely refer to it so as it was confessed to be, with the spirit of our liberal institutions or that which eminated from a constitution, recently adopted by the sovereigns of the State, and which was strictly Republican in all its features. Now we believe the people are the source of ull posecure the object so much desired. A Convention was called and a liberal constitution formed, which constitution, received the sanction by a fair and solemn vote at the ballot box, not only of a large majority of the wing party."

were attendy fried, and condemned, and were going about like criminals in a cart, with halters about their necks, to execution; that if one remained in office, he would be left as a monument of the sparing grace of the Whig party."

From the Democratic Union.

FUNERAL OBSEQUIES AT HARRISBURGH IN HONOR OF GENERAL JACKSON
The spirit evinced by our citizens on Tuesday last. isting charter and laws of Rhode Island. Under Polk." ernor. A careful review of all that transpired, we

Constitution established by them, and under which Gov Dorr acted, ought to-day, be in full force. It is clear, then, that if people possess "the right to make laws and constitutions" as admitted by the Gasette, then was Gov Dorr and his supporters in the right, and the Gazette's Rhode Island friends in the wrong. Gov Dorr and his friends claimed the right for the people to make a constitution, the Guzette admits that this right legitimately belongs to them, but still we find that paper abusing Dorr, and acting with those who before, and since, have denied the right to them, unless restricted by improper and anti-repub-
