TUESDAY MORNING, AUGUST 5, 1845. PITTSBURGH BOARD OF TRADE. COMMITTEE FOR AUGUST.

J. Carothers, T. J. Bigham, Joshua Hanna THE EDITORIAL RACE.—The proposed race, be ween the editors of the Chronicle and the Ariel, is subject of much town talk. We can only say in Ply to the banter given us, that we are "ulways , for either a long or short heat, especially the having been bantered we claim the privilege of mitting a proposition. It is this: We will run one sand repeat, currying upon our back the editor of Chronicle, our competitors to be the editor of the mmercial Journal" and the American; the former arry the editor of the Ariel, the latter the senior or of "Guzette." We think there can be no obion to this proposition, inasmuch as it will give a exhibition of heels, legs and bottom. - he above, when it comes off, will no doubt be an eresting chase each form being in good case; fry little error in the matter carefully corrected, I we have no doubt the job will be well worked offpress hard, and "by that same token"

We have many testimonials from residents of Philadelphia and elsewhere, but the following may suffice for the present. This is to certify that I have purchased of M. B

Dyott a sufficient number of his Patent Pine Oil Lamps to light the Universalist Church of Philadelphia, and have used them in said Church about two years. I Importers and Dealers in Foreign and Do-have found them to give perfect satisfaction. The mestic Ha dware, light produced by them is the most brilliant that I have ever seen. They are so economical that the cost of the Lamps has been saved several times over; the lighting up of the Church not costing half as much as it did before we procure them.
Respectfully, JOHN DESSALET, Secretary of the above named Church. Philadelphia, July 8, 1845.

The undersigned having used for two years Dyott's Putent Pine Oil Lamps in his Hotel, the Boliver House, can recommend them as the most economica and brilliant light that can be produced by any article now in use. Before I commenced lighting my house with the Pine Oil, I was using the Gas; but after a trial of the above Lamps, I was so much plea-aed with the light, and convinced of their economy; that I had the Gas removed and burn the Pine Oil in WM. CARLES, Proprietor of Boliver House,
