Bingham's Transportation Line,

BETWEEN PITTSBURGH AND THE EAST ERN CITIES. PROPRIETORS, WM. BINGHAM, JACOB DOCK, TROS. BINGHAM. WM. A. STRATTON. Conducted on Sabbath-keeping principles. THE Proprietors of the old established Line have L thoroughly recruited and renewed their stock and are well prepared to forward Produce and Mer chandise on the opening of navigation.

The long experience of the Proprietors in the carness, with their watchful attention to the interests of customers, induces them to hope that the

patronage heretofore extended to "Bingham's Line" will be continued and increased. Deeming the usual self-glorifying style of advertising too absurd for imitation, and believing that with former customers we need no self-commendation, we would merely invite such as have not heretofore patronised our Line, to give us a trial. Our rates of freight shall at all times be as low a the lowest that are charged by other responsible Lines.

Produce and Merchandise will be received and forwarded without any charge for advertising, Storage or Commission. Bills of lading promptly forwarded, and every direction carefully attended to.

Such books are now notoriously too dear. The reason is, that as fast as they appear they become monopolies in the hands of booksellers in the Atlantic cities. Under the plea of right acquired by the addition of notes of American decisions, the latter claim an undivided title to those works, and set a burthensome price on them. The publishers of the work now offered to the profession througout the Union, will not respect such titles, but will re-print the standard British law books as fast as they eminate from the London market.
