PITTSBURGH, PA.

SATURDAY MORNING, AUGUST 16, 1845.

PITTSBURGH BOARD OF TRADE.

COMMITTEE FOR AUGUST.

J. Carothers, T. J. Bigham, Joshua Hanna.

CORRESPONDENTS.

In reference to communications which may appear in this paper, we have one or two remarks to make.—We will insert none without the name of the author being first made known to us, and when inserted, must always be taken as expressive of the views *of the writer*, and not of the Editor of this paper, unless the views so expressed are editorially remarked upon and approved.

We would call attention to the sale of Real Estate by JOHN D. DAVIS, which is to take place this evening. For particulars see handbill.

EAGLE ENGINE.—We were present at the trial of the Eagle Engine, on Thursday afternoon in Allegheny; she threw water 158 feet, through a large nasel, and it is believed she can do much better with a smaller one. The repairing, we are told, was done by Mr *Gwyne*, formerly a manufacturer of Lard oil in this city.

☞A letter was recently advertised in the Rochester Democrat, addressed to "the prettiest girl in Rochester." On Thursday last a young lady called at the office and demanded the letter thus addressed.—The young gentleman who wait upon the public inside were thrown all shack by this demand, being too young and inexperienced to decide upon female beauty. They called one of their seniors who came forward and after considerable squinting and ogling through the delivery, they finally gave her the letter. The account leaves us in the dark as to whether the young lady could conscientiously claim it.

There is a letter in the Post Office of this city, addressed thus: *"For the ugliest girl in Pittsburgh."* It is the opinion of the clerks that it will not be called for.

NEW ORLEANS CIRCUS.—There was an immense crowd last night to witness the performances of this unrivalled Company of Equestrians. The bill for to-night is excellent. Give them a call.

LAST NIGHT.—CINCINNATI CIRCUS.—We have been informed that this company will perform to-night for the last time in our city. They have been well patronized. We hear the Manager and Company well spoken of by all who attended their performances.

☞The democratic citizens of the First Ward, will meet at Little's Tavern on Saturday evening next, for the purpose of electing Delegates to the County Convention which is to assemble on the Wednesday following. aug15.

SIXTH WARD DELEGATE MEETING.

The democrats of the 6th Ward, city of Pittsburgh, are requested to meet at the house of Henry Rea, in said Ward, on Saturday the 16th inst. to elect, in accordance with the call of the Committee of Correspondence, two Delegates to the Democratic County Convention, to be held at the New Court House on Wednesday, the 20th inst. By order of the Committee. R. GALWAY, Ch'n.

aug13.1845.

☞We are requested to say that the meeting of democratic citizens of Reserve Township, to choose delegates to the County convention, will be held at the Troy School house, on next Saturday at 3 o'clock P. M.

Mr. Editor:—I have heard our esteemed fellow-citizen, Mr R. H. KERR, favorably spoken of as a candidate for Clerk of the County Court. The nomination of this gentleman would be received with pleasure by the voters of Allegheny county, and, in view of his eminent qualifications, gentlemanly deportment, and devotion to the priciples of his party in its darkest hour, he would receive a warm and generous support from the democracy of

Should he be elected Allegheny county may depend on a strong supporter of the Rail Road Bill, and all other democratic measures. Old laborers should not be forgotten. ANTI-BANK.

LATE AND IMPORTANT FROM MEXICO.

We have been favored, says the Washington Union, with the perusal of a letter which is addressed to a gentleman of respectability, at present in the city of Washington, from a highly respectable source. The correspondent has recently returned from Tobasco, in Mexico, and gives the following information, which may be relied on:

"Very little, if any thing, commercially, is now doing in Tobasco. The Mexicans have taken all the guns and soldiers from the fort at the mouth of the river, for safe-keeping. But the steamboat captain in attempting to land the same let all the cannon roll in the river, where I think they will remain. There is great excitement against the Americans, and they are going to whip us without much effort! Gen Ampudia has made all his plans for the campaign, by which, within thousand Mexican veterans, he can subdue and effectually conquer the United States. General Ampudia says he will not go among the rifles and bowie knives or six barrel pistols of those rascally Texans, but that he will make a descent on the southern States and seaboard. That, in the first place, he will liberate the slaves. They constitute one-third of the population of those States. He will then give them their freedom and a colony in Mexico—they being so much better than those of the United States.—The remaining third are poor devils of natives—being mostly women and children and old men; so that you will see, as Gen Ampudia does, that there is but little to do in conquering the United States. I expect them here in five or six weeks."

This Mexican General must be a terrible fellow—in his own opinion. He lays out his work with all the foresight of a Napoleon!
