THE DEMOCRATIC COUNTY TICKET. The Democratic County Convention assembled in the Court room yesterday, at 11 o'clock, A. M., and placed in nomination the following ticket:

Assembly—SAMUEL W. BLACK, THOMAS DONNELLY, JOSEPH COOPER, W. L. MILLER. Clerk of the Court—ROBERT H. KERR. Recorder—ROBERT M'CORLICK. Register—DR. J. C. M'CALL. Commissioner—JOSEPH M'CALL. Auditor—H. MILLER.

WE have only room now to say that the ticket is an excellent one, and we have no doubt will be acceptable to the Democracy of the county. Now for unity of action, and vigilance in the ranks of the party. Let every democrat buckle on his armor and stand prepared for the contest.

OREGON. The Gazette of Tuesday contains a long article on the Oregon question, in which he proves that there is diversity of opinion on the subject in Great Britain.

THE case of the Secretary of Kentucky, Benjamin Harrison, is thus explained by the Gazette. A friend residing in or near Bardonia, confided to the care and protection of the Secretary, a daughter, who wished to complete her knowledge of the military business, requesting him to procure boarding for her in a reputable family. The Secretary took her to a house of ill fame, and attempted to seduce her. A citizen of Frankfort acquiring a knowledge of her situation rescued her from her perilous condition and took her to his own home.

NO FUGITIVE.—A London paper says that two persons of a name now very notorious—viz. Mr. and Mrs. Caudle—appeared at the Bow-street Police office on Wednesday, and to make the coincidence complete the gentleman was kept, the lady a short time, and placed in rough boxes, as if to be offered for sale. It is well known that if an acid should come in contact with the sheet lead with which these boxes are lined, the compound would be deadly poison. And it is but reasonable to suppose that during the late fire much of this lead has been thus poisoned.

DIAMONDS IN MEXICO.—According to the report of an expert geologist, Van Gardin, diamonds have been discovered in the Mexican mountain range in the Sierra Madre, in the direction of Acapulco, to the southwest of the city of Mexico. Humboldt had conjectured that diamonds and platinas occurred further to the north-west, in the gold washery of Sonora. It is also said that immense tracts of similar alluvial deposits occurred in Upper California, as well as in New Mexico. They are principally in the possession of wild tribes.

CONGRESSIONAL ELECTIONS.—The Lexington Gazette says, the reported returns render it probable that the democrats have elected but three members of Congress in Kentucky, Boyd, Martin and Tibbatts, but the great reduction in the whig majorities in the other districts show that the power of whiggery is rapidly declining, and that another fight will give the finishing touch to the overthrow of their power in this State.

TO JONES GLASS TOGETHER.—Melt a little glass in spirits of wine, adding thereto about a fifth part of water and using a gentle heat. When perfectly melted and mixed, it will form a transparent glue, which will unite glass so that the fracture will hardly be perceived.

A FUND WIFE IN ST. LOUIS.—A fund wife in St. Louis recently prevented her husband from going out to a duel in which he was engaged, by locking him up in his sleeping apartment, having first secured his hat and boots. "Love," then does not always "laugh at the locksmen."

AT THE CLOSE of a meeting in Illinois in favor of our right to Oregon, nine cheers were given for "an ocean-bound Republic."

THE SOUTHERN CROSS.—Corn, uncertain; Potatoes, abundant; Cotton, heavy, probably 2,500,000 bales; Tobacco, full average; Rice, not full; Sugar, a splendid crop, probably 250,000,000 lbs. Texas crops all good.

A RICE TOWN.—New Bedford contains 12,000 inhabitants, and its valuation is \$12,000,000, being \$1000 to each man, woman and child.

THE NAVY NEIGHBOR, the Mormon organ, says, that the many domestic fires, which have occurred this year owing to the "anger of the Lord," became the murder of Joe Smith and his brother Hyrum has not been atoned for!

AN ARREST.—A large number of Anti-renters concerned in the late atrocious murder in Delaware county, N. York, have been committed for trial, and fresh arrests are made every day. Among those taken, is that prince of brutes, Moses Earl, who "would not pay his rent to save fifty lives!" The best spirit seems to prevail among the citizens generally. Governor Wright was daily expected at Albany.

DEATH.—That wrier does the most who gives his readers the most knowledge and takes from him the least time. In literature as in finance, much paper and much poverty may co-exist.

HEADLINE.—(By Morse's Telegraph, Washington, 6th Octob., P. M.)—Mr. Wm. Kendall, son of Amos Kendall, Esq., was a few minutes ago met upon the avenue, and not dead by Rufus Elliot, brother-in-law of John C. Rivero—Bull. Sun.

NEVER tread on the tail of a cat, or sell a woman she is not handsome, unless you are fond of quack.

TROPICAL STORM.—Loss of Life.—A most fearful storm of thunder and lightning took place at the town of Helgum, Island of Cuba, on the 4th ult., killing 15 persons in the town, and near the public square. The greatest loss of life was, however, in the vicinity of the town, amounting in some accounts, to between forty and forty-five! At St. Jago the best had been, and continued intense; great numbers of persons had died from the effects of the same. The drought continued in that part of the island with all its previous intensity.

ARMY MOVEMENTS.—The memorable Missouri fought yesterday, says the N O Picayune of the 10th, comprises C and D of the 4th Infantry. They are from Fort Scott, on the Missouri, but last from Jefferson Barracks. They were under the command, as far as was to be seen, of Brevet Major Graham, Capt. McCull, Lieut. Hollaway, Officers and Cochran, but upon their arrival here the officers in command were reported to be Brevet Major Graham, and Lieut. Charles Hoskins, R. E. Cochran and B. A. Berry. The same boat brought down a detachment of recruits from Jefferson Barracks, under command of Lieut. Gares. The whole body, 146 in number, were landed at the Barracks below the city. They are on their way to join the forces already in Texas. If the accredited estimates of the Mexican force be nearly accurate, and we do not doubt that they are, it would not be hazardous to expect the settlement of our difficulties with Mexico to rest upon troops which will shortly be concentrated on the Western frontier of Texas.
