EXTENSION OF PITTSBURGH Rare Chance for good Investments!

THE subscriber has laid out, and now offers for sale at reasonable prices and on accommodating terms, One Aundred and ten building Lots, on that handsome level ground between Braddock street and he Monongahela river. They are about one-third of a mile from the city line, and are situated in that part of the first city district which will probably soon be annexed to the city as the Seventh Ward. No propertyin the suburbs possessors uperior advantances, nor has any heretofore been laid out with so liberal an alfewance of wide streets; Braddock is from one bubdred and twenty to about one hundred and ninety feet wide, and Beelen, Commerce, Brudy, Columbus and views of improvement. Persons who desire to build r to make secure investments in property that is sure to advance in value, and particularly those who intend to erect manufactories, would do well to view these Lots, and examine the draft, before purchasing elsewhere. The survey for the Baltimore and Ohio Rail Road and the rail road survey by the State of Pennand it is generally considered that Braddock street. or the ground immediately alongside of it, affords the only eligible route for a Rail Road from Pittsburgh to the East. Coal can be delivered on this property at a nuch less cost than on the Allegheny river, and there a always deep water at this part of the river. E. D. GAZZAM,
