PARTY Usages.—One of our exchanges very truly W. H. Whitney says:-"Unity of purpose is necessary to success, and H Sprinte WHIG HYPOCRIST.—The whig presses of the North there can be no unity without organization. Trample The says the Albany Atlas, are attempting to turn the late upon, break down, or destroy the organization of a paroutrage upon Cassius M. Clay into pulitical capital, and you strike the direct blow to its principles, for W. W. D.il.as, and they do not besitate to throw the whole responsible there must be an inseparable connection between them. But G dway bility of the violation of the public law and private
Assail the one, and you endanger the other. This our last Dalseil with marked that transaction, upon the demoopponents well understand, and they shape their Win Witkins course to divide that they may conquer. The duty of W H Lowise The impudence of this magnificant Roorback is apparent, from a glance at the facts. Kentucky is a are based upon truth and justice, and its usages found-whig State, Lexington a whig city, the tone of public ed in wisdom, having the sanction of the people, the D C Morgan sentiment decidedly whig, "the embodiment of whig sanction of long usages; the sanction of success Jat Dickey. principles" residing in the State, and impressing it While they have held sacrod, and maintained inviolate. Thus McCune with his character. The meeting which took charge our position has been impregnable, and our cause tri

as it appears by the attendant facts, joined in opposing Sir John Herschell, speaking on this subject consider. John bis kinsman to clear the whig party of the charge of participating in his kindsman's sentiments.

The aim of the whole affair was to show that there And arm of the whole after was to show that there was no indentity between Henry Clay and Cassius M. after exposure to unmitigated and continual sunshine, Wm T M'Clure. was doindentity between Henry Clay and Cassius M. In the late contest the Elder Clay wrote to his kindsman to tell him how much injury his abolition sentiments were doing to his presidential prospects in the South, and even in Kextucky, and to silence him in his improdent course. The present affair at Lexington has the same meaning, and is a notice to the world issued in time for the contest of 1343, that though a community of name and a kindred of blood, unites the community of name and a kindred of blood, unites the same there is no real indentity between them. It was two, there is no real indentity between them. It was ly be expended in the conversion of visible clouds inthe interest of the embodiment that demanded the sacrifice of his other Dromio; and if the elder Claydid not dissipation of cloud soon after the appearance of the Hugh Arthus, rince of his other Dromio; and if the elder Clay did not evince the firmness of the elder Brutus, in presiding full moon, (or a moon so nearly full as to appear full in person at the sacrifice of his kindsmen to the "institute to the unassisted eye") which he stated himself to have tution" of his country, he at least approached his pa- observed on so many occasions as to be fully convinced D R Miller, triotism by his voluntary absence and by the presence of the reality of a strong tendency in that direction Th. P Brown, seemed to him only explicable on this principle.

Inos in Europe.-Late statistical returns made M'Candless, Black and Bigham in their usual at THE STEAM ENGINE.—It will be seen that Mr. in Berlin, gives the following important facts in re- and elequent manner.

Power was conferred.

ahip among the Indians.

In 1776, Captain Carver produced masses of metallic copper on the shores of Lake Superior, and states
that virgin copper was found in great plenty on the Oor
tonagon, or Copper Mine river.

In 1791, Henry and Boswick, two British adventurers dag a considerable quantity of copper, out of the
alluvial earth, upon the banks of the Ottonagon river,
and together with a lump of sil ver ore of eight pounds
weight, conveyed it to Montreal, and thence shipped
it to England, where the silver ore was deposited in
the British museum, after an annalysis of a portion of
silver.

These adventurers were connected with a company

to enable the scrivener, conveyancer, and man of business, to draw instruments of writing legally and correctly. INCLUDING MANY FORMS, PARTICULARLY USEFUL THE FARMER, MECHANIC, AND TRADER. BY GEORGE GETZ.

PRICE \$2.00. RECOMMENDATIONS: From the Hon. JOHN SERGEANT. Philadelphia, July 3, 1845.

DEAR SIR,—Accept my thanks for the copy have been good enough to send me of the Third Leave en of "Gvts's Forms." The general sense of the merit of the work is eviout by the exhaustion of the two former editions and the call for a new one. The requisites of such a book are, that it should be adapted to popularuse. In both No 2, WOOD St. Second Door from the Corner of Water Street.

Conser of Water Street.

COLUMN 1111 Consideration of the profession, and the confidence of the public. In my opinion, you are instly entitled to both. So far as it has h The undersigned takes this method of announcing power to examine them, the forms are legally accu-

to magistrates, notaries, and conveys The paper and printing, allow me to add, are worthy

Yours, very truly.
